# SUMMARY

# PREPOSITION OF VERB

To introduce the object of verb

A preposition verb(phrasal verb) is a combination of a verb and a preposition. It is simply a verb followed by a preposition.

Some verbs require specific prepositions to be used after them in a sentence. The combination of such a verb and its required preposition is called a prepositional verb.

## Examples:

**Prepositional Verb= Verb+ Preposition**

- She is waiting for him.
- He is knocking at the door.
- She is looking at the white-board.
- The kids are laughing at a joker.
- I agree with you.
