

Time

Worksheet 1 (Non-Calculator)

1. S16/qp11/q3(a)

An aircraft leaves at 2235 on a flight that takes 3 hours and 50 minutes. Find the time when the aircraft arrives. [1]

2. S16/qp12/q7

Departs Dubai (local time)	03 30	16 10	21 55
Arrives Mumbai (local time)	08 10		02 30
Flight duration	3 hours 10 minutes	2 hours 55 minutes	3 hours 5 minutes

The table shows information about some flights from Dubai to Mumbai.

- Work out the time difference between Dubai and Mumbai. [1]
- Work out the local time in Mumbai when the 16 10 flight arrives. [1]

3. S17/qp12/q8(a)

A film starts at 22 35 and finishes at 01 20. How long, in hours and minutes, does the film last? [1]

4. W17/qp12/q5

A	08 12	08 42	and every 30 minutes until	17 12
B	08 33	09 03	and every 30 minutes until	17 33
C	08 48	09 18	and every 30 minutes until	17 48
D	09 05	09 35	and every 30 minutes until	18 05
E	09 20	09 50	and every 30 minutes until	18 20

The timetable for buses from A to E, calling at B, C and D, is given below.

- How many minutes does each journey from A to E take? [1]
- Sharon has an appointment at D at 3.30 p.m. What is the latest time she can catch a bus from B? [1]

5. S18/qp11/q5(a)

A plane leaves London on a flight to Dubai. The plane lands in Dubai where the local time is 17 20. The flight time is 6 hours 50 minutes. The local time in Dubai is 3 hours ahead of the local time in London. Calculate the local time in London when the flight left. [2]

6. W19/qp12/q6(a)

A movie lasts for 1 hour 48 minutes and finishes at 10.15pm. Find the time it starts. [1]

Answer Key - Worksheet 1

1. 1.02 25
2. (a) 1.5 [hours] or 90 [minutes]
a. (b) 20 35
3. 2 hours 45 minutes
4. a. 68

b. 14 33; or 2.33 p.m.
5. (0)730
6. 8.27 pm or 20 27
