Structure of Answer		
Para 1	Para 2	Para 3
☐ General introduction as 5 th Article of Faith.	☐ Life in Barzakh. ☐ Qiyamah. ☐ Resurrection.	☐ Final Accountability. ☐ Heaven and Hell.
Answer		
☐ This is the universal truth that every starting has an ending. Every creation has extinction. Only Allah Almighty is eternal except him everyone and everything is unstable.		
☐ Believing in The Day of Judgment and Resurrection and then life in here after is the fundamental part of Articles of Faith. This belief is so important that it is widely discussed in Quran along with the belief in Allah himself which explains its importance. ☐ "Every soul will taste death. And We test you with evil and with good as trial; and to Us you will be returned" [21:35]		
☐ When a person dies, he goes to Barzakh and from the very next moment of his death his Qiyamat-e-Sughra or lesser judgment begins on him. Two angels Munkar and Nakir who have been appointed by Allah, will visit dead and ask questions about God, Religion and Prophet (PBUH). This brief test decides whether his stay in Barzakh will be a reward or Punishment. ☐ Hadith: "The grave is one of the gardens of Paradise, or one of the pits of Hell." [Al-Tirmidhi Hadith 5352]		
☐ This explains the scenario of Life in Barzakh very well. ☐ Hadith: "Verily the grave is the first step in the stages of the Hereafter. If one finds salvation at this stage, the succeeding stages become easy for him. And if he does not find salvation at this stage, what follows this stage is very hard upon him. I have never seen a site more horrible than that of the grave." [Al-Tirmidhi Hadith 132]		
☐ The Day of Judgment (Qiyamah) will take place after some of the signs mentioned in Hadiths of Holy Prophet (PBUH) some of them are: The Smoke, Dajjal, The rising of the sun from the west, The descent of Jesus son of Mary (AS), The Gog and Magog, Landslides in three places, one in the east, one in the west and one in Arabia at the end of which fire would burn forth from Yemen. But no one is aware about the exact timing of The Day of Judgment. ☐ "People ask you concerning the Hour. Say, " Knowledge of it is only with Allah. And what may make you perceive? Perhaps the Hour is near." [33:63]		
☐ The day of Judgment will start with blow of trumpet by Hazrat Israfil (AS) and there will be horrible scenarios everywhere. Finally, This Universe will be destroyed as it is described in many verses of Quran. ☐ Ref: "When the earth is shaken with its [final] earthquake" [99:1]		
☐ For a very long unspecified time, there won't be any other creature alive except Allah almighty.		
☐ With the 2 nd trumpet all will rise again and will gather at the ground of Arafaat. This gathering is called Hashr as there is a name of Allah Almighty "Hashir". ☐ Ref: "And [that they may know] that the Hour is coming - no doubt about it - and that Allah will resurrect those in the graves" [22:7]		
☐ This day will be very horrible as it is mentioned in some books that it will be as long as 50 thousand years. No one would even think about his friends, family and relatives. Record of deeds compiled by the appointed angels (Kiraman Katibeen) will be uncovered. ☐ Ref: "So whoever does an atom's weight of good will see it, And whoever does an atom's weight of evil will see it." [99:7-8]		

- ❑ Whoever gets his record in right hand from the front will be successful. Whoever will be given it in left hand from backside will be doomed. According to this just accountability people will be designated to Heaven or Hell.
- ❑ When everyone will be placed in Heaven and Hell, death will be brought forward in form of any animal and will be slaughtered in front of everyone. This will mark the death of death, and later on everyone has to live in their designated place forever.

Belief in Predestination and Decree

Q (a) Write an account of Muslims' belief in Predestination and Decree. [10]

Q (a) What does the statement 'There is no ability or power except through Allah' tell you about Muslim belief in Allah's predestination and decree? [10]

Para 1	Para 2	Para 3
▪ General Intro as 6th article of Faith. ▪ Introduction of Qadar and Qadha.	▪ Loh-E-Mahfooz. ▪ Substantial Concepts of Predestination.	▪ Humans' free will ▪ Conclusion.

Answer

- It is necessary for Muslims to believe in Allah's Predestination and Decree that everything is ordained by Him. He is the only one who determines the fate of every individual and this whole universe.
 📖 In Hadith of Jibrail, when he asked Prophet (PBUH) about Faith, He answered: "To believe in Allah, his Angels, his Books, his Messengers, the Last Day and to believe in divine Preordainment, both the good and bad of it"
- The word "Qadha" Means: To legislate, to decide or to conclude while The word "Qadar" means: to value, to esteem or to measure.
 📖 Ref: "Indeed, all things we created with predestination" [54:49]
- Lauh-e-Mehfooz is a safe place. Too much details are not mentioned anywhere about Lauh-e-Mehfooz. But it's the place where Allah recorded each and everything. In other words, Lauh-e-Mehfooz is a screen where Allah's knowledge and info is displayed.
 📖 Hadith: The first thing which Allah created was Pen. He commanded it to write. It asked: What should I write? He said: Write the Decree (Al-Qadr). So, it wrote what had happened and what was going to happen up to eternity. [Al Tirmidhi hadith 94]

- Predestination asks us to believe that Allah's knowledge is well-acquainted, and his knowledge encompasses each and everything.
 Ref: "Allah has encompassed all things in knowledge" [65:12]
- Everything is working as per the commands and will of Allah Almighty.
 Ref: "Do you not know that Allah knows what is in the heaven and earth? Indeed, that is in a Record. Indeed that, for Allah, is easy" [22:70]
- It is necessary to believe that nothing can occur without the will of Allah.
 Ref: "His command is only when He intends a thing that He says to it, "Be," and it is" [36:82]
- There are 3 types of creatures. First ones are Shayateen (Devils) they are pure evil. They cannot do any good. 2nd ones are angels they are pure goodness they cannot attempt any sin. Humans have been given all two and they have been given a chance to choose his way wisely by getting help from Messengers, Books and by using common sense. That's why They are supreme beings.
- Believing in predestination doesn't mean that humans do not have any choice and it also does not declare us totally free from any planning or bounding.
 Someone asked the same question from Hazrat Ali (R.A) he said lift up your foot and keep standing, he did it without any problem. He then asked him to lift up his both feet and keep standing. He could not. Hazrat Ali (R.A) said that that's your answer. We are not 100 % free nor we are 100 % bound.
- If we were 100 % bound Prophet would never have said this:
 Hadith: "Invocation can even alter your destiny"
- But there are two types of Qadr. 'Taqdeer-E-Mubram' this is finalized and it can never be changed even with invocation. 'Taqdeer-E-Muallaq' can be changed with invocation.
- So, Belief in Predestination and Divine Decree is a fundamental part of Articles of Faith. Without believing in it no one could be called a Muslim.
