

IMPORTANT MAPS OF PAKISTAN**MAP NO. 1**

(a) Study the map of Pakistan, Fig. 1.

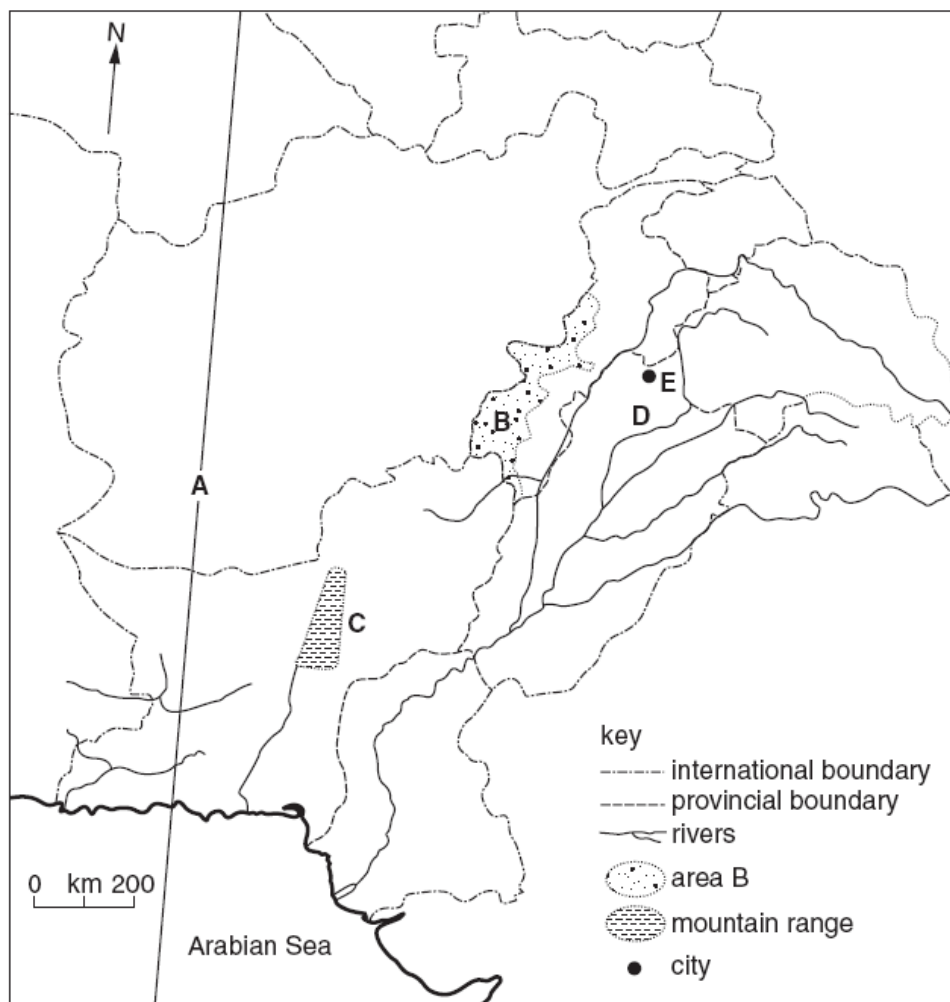

Fig. 1

- (i) State the number of degrees east of longitude A,
- (ii) State the name given to area B in KPK,
- (iii) Name the mountain range C,
- (iv) Name the river D,

(v) Name city E.

MAP NO. 2:

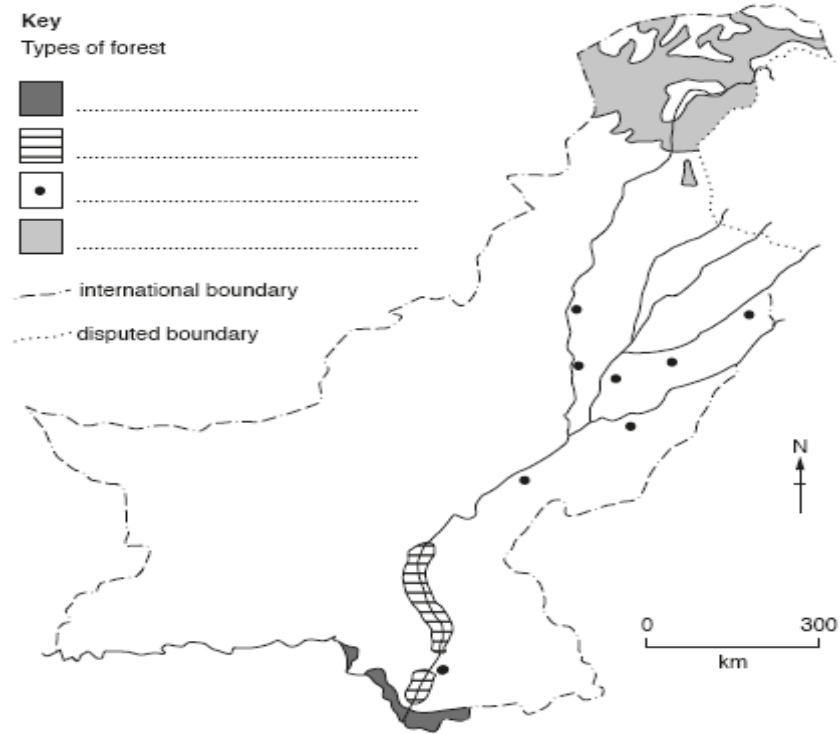

Fig. 2

MAP NO. 3:

On the outline map of Pakistan Fig. 1 mark and shade **two** areas which
Experience low annual rainfall (125 mm or less). [2]

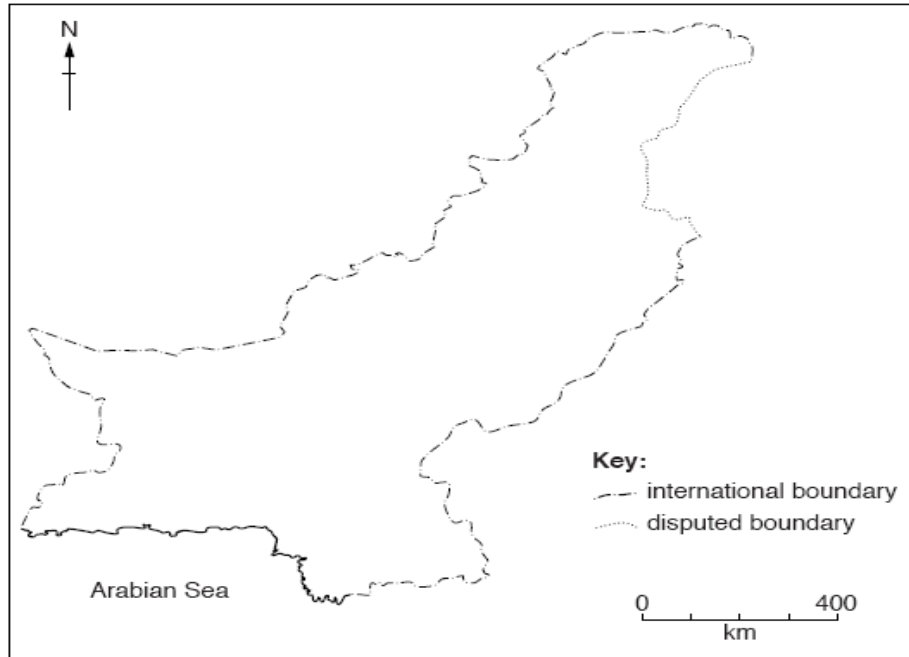

Fig. 1

MAP NO. 4:

Study Fig. 8, which shows January temperatures in Pakistan.

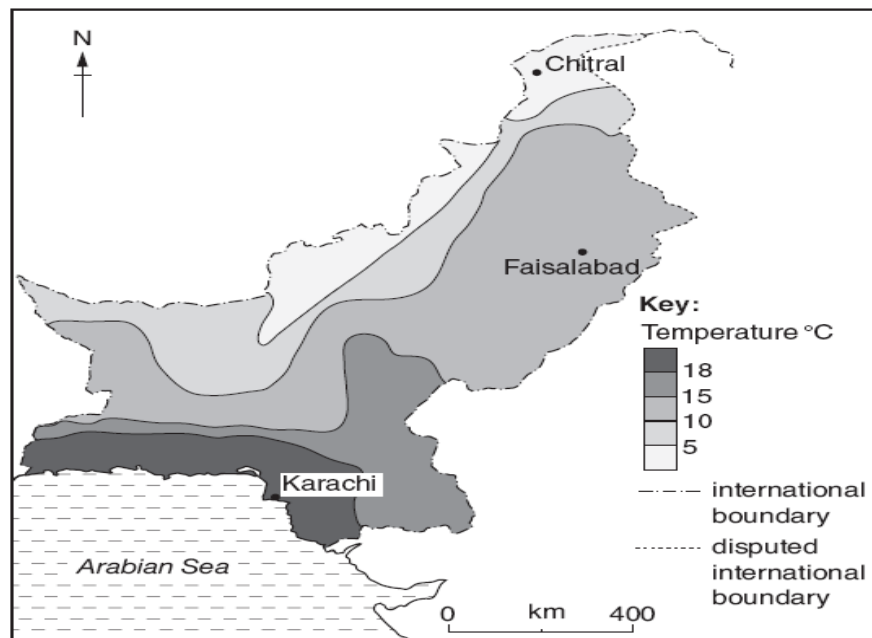

Fig. 8

- (i) What is the temperature at:
- Karachi? ° C [1]
- Faisalabad? ° C [1]
- Chitral? ° C [1]

MAP NO. 5:

Study Fig. 9, which shows the distribution of monsoon rainfall in Pakistan.

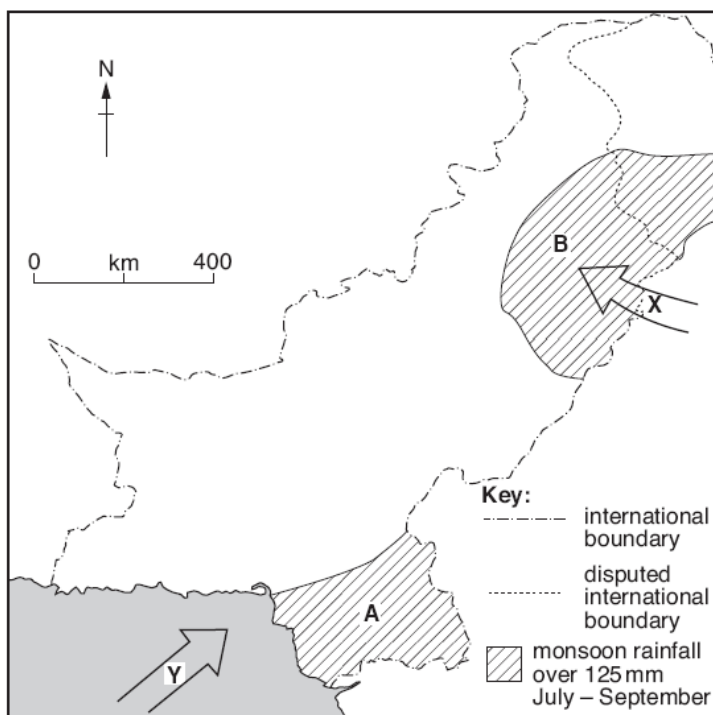

Fig. 9

Name the areas of high rainfall A and B.

MAP NO. 6:

Study Fig. 1, a map showing the major rivers of Pakistan.

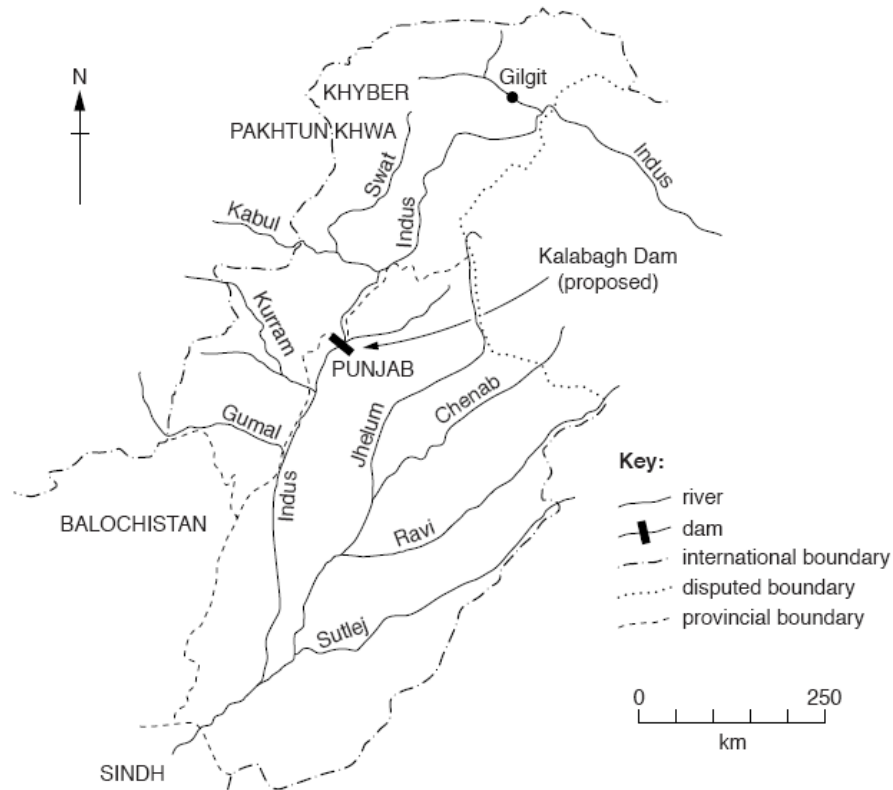

Fig. 1

Locate

the following two dams **on the map**:

Warsak (**W**);

Diamir Bhasha (under construction) (**D**). This dam is 150 km downstream of Gilgit. Mark their positions using the appropriate symbol from the key and label each with the correct letter. [2]

MAP NO. 7:

Study Fig. 1 which shows a map of Pakistan.

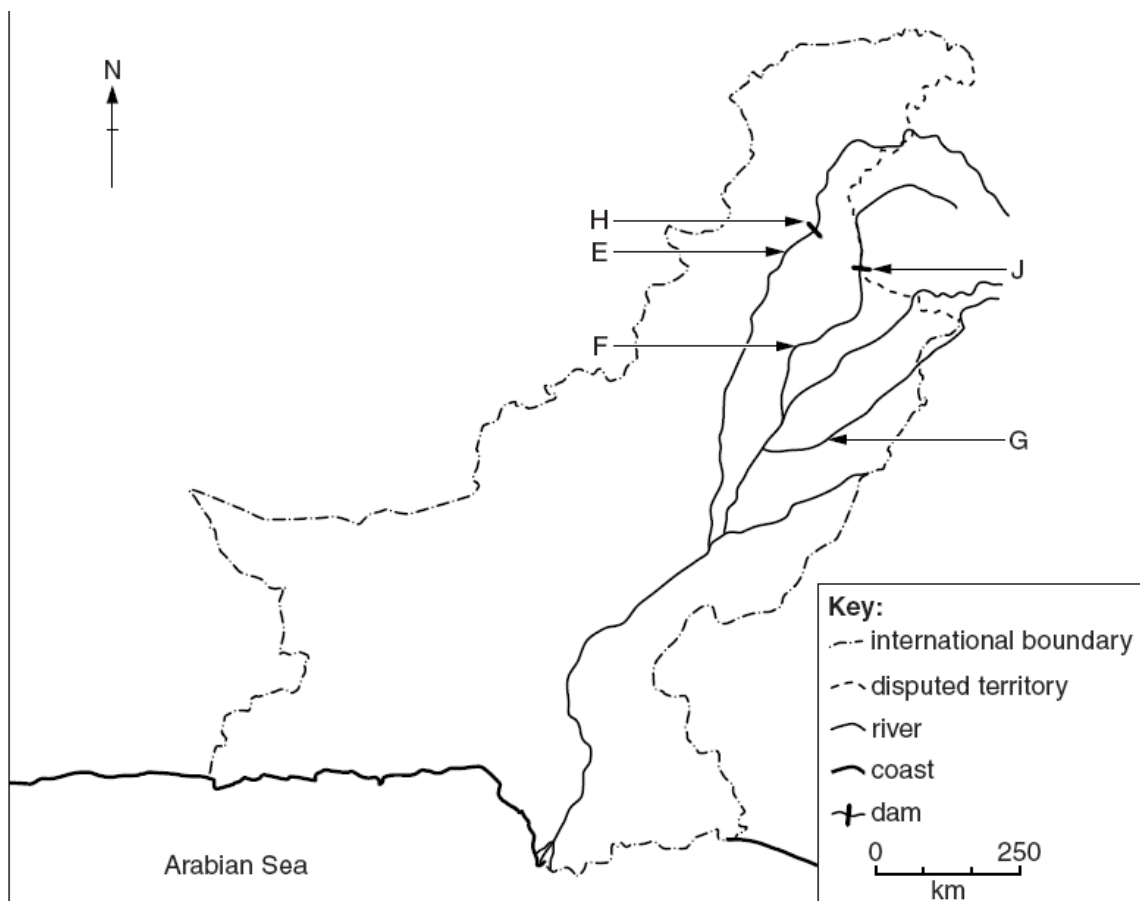

Fig. 1

Name: The rivers

E

F

MAP NO. 8:

Study Fig. 1 and Photograph A (Insert).

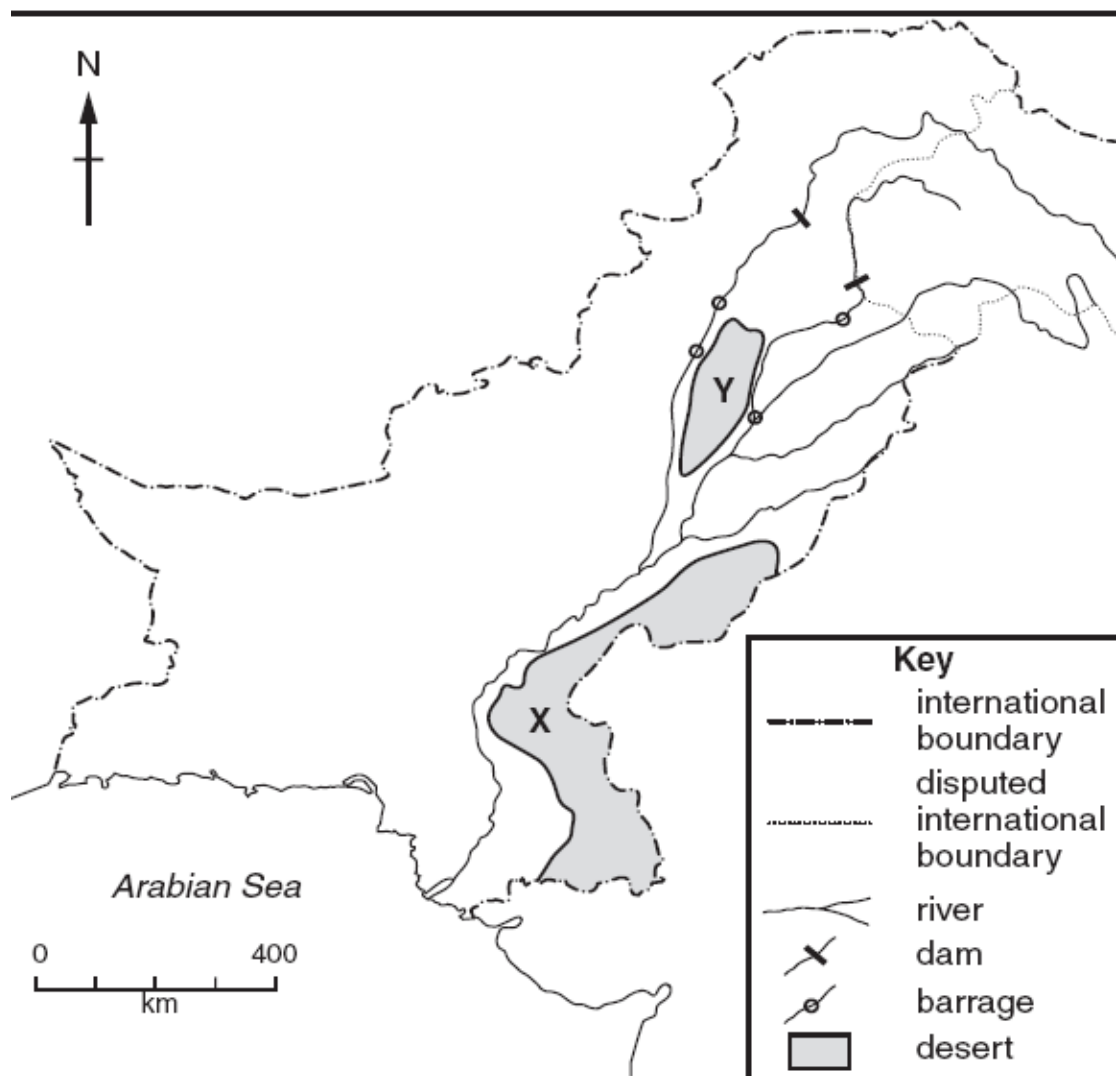

Fig. 1

Name the deserts X and Y.

MAP NO. 9:

Study Fig. 7, a map of deforestation in Pakistan.

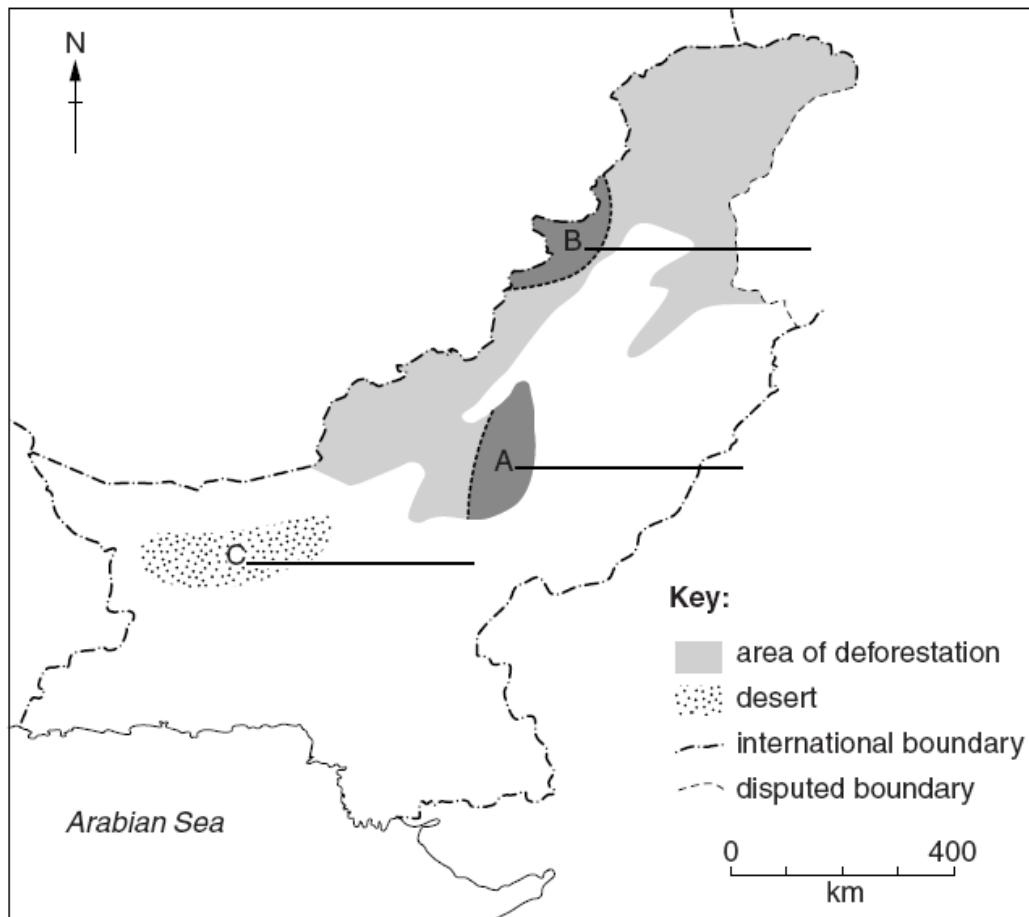

Fig. 7

Name the areas of deforestation A and B. [2]

MAP NO. 10:

Study Fig. 3, a map of environmental damage in Pakistan.

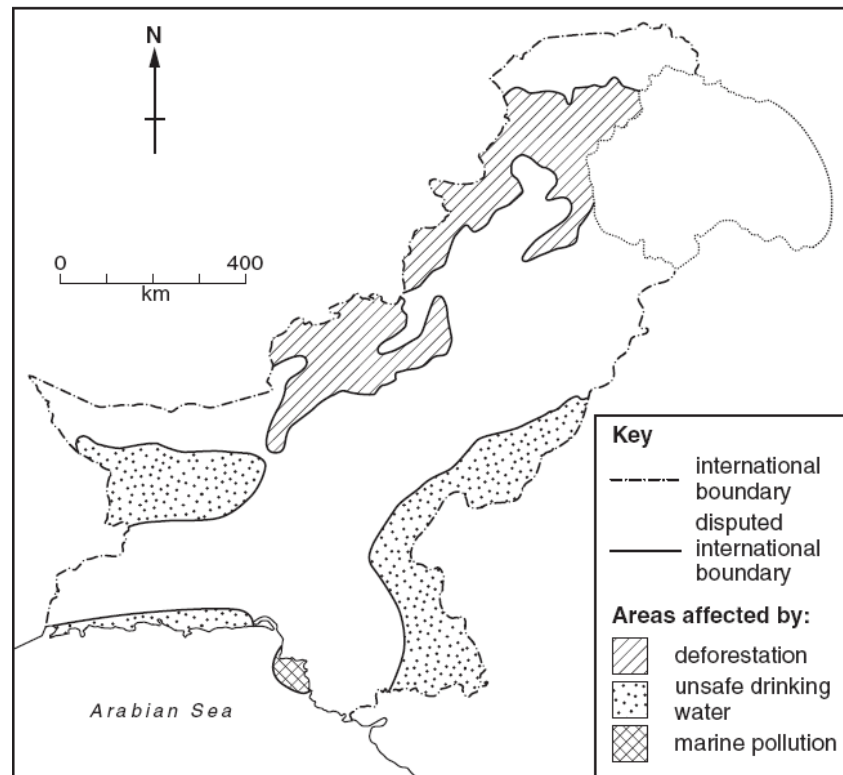

Fig. 3

Locate the areas most affected by deforestation.

MAP NO. 11:

Study the map of the south of Pakistan, Fig. 1.

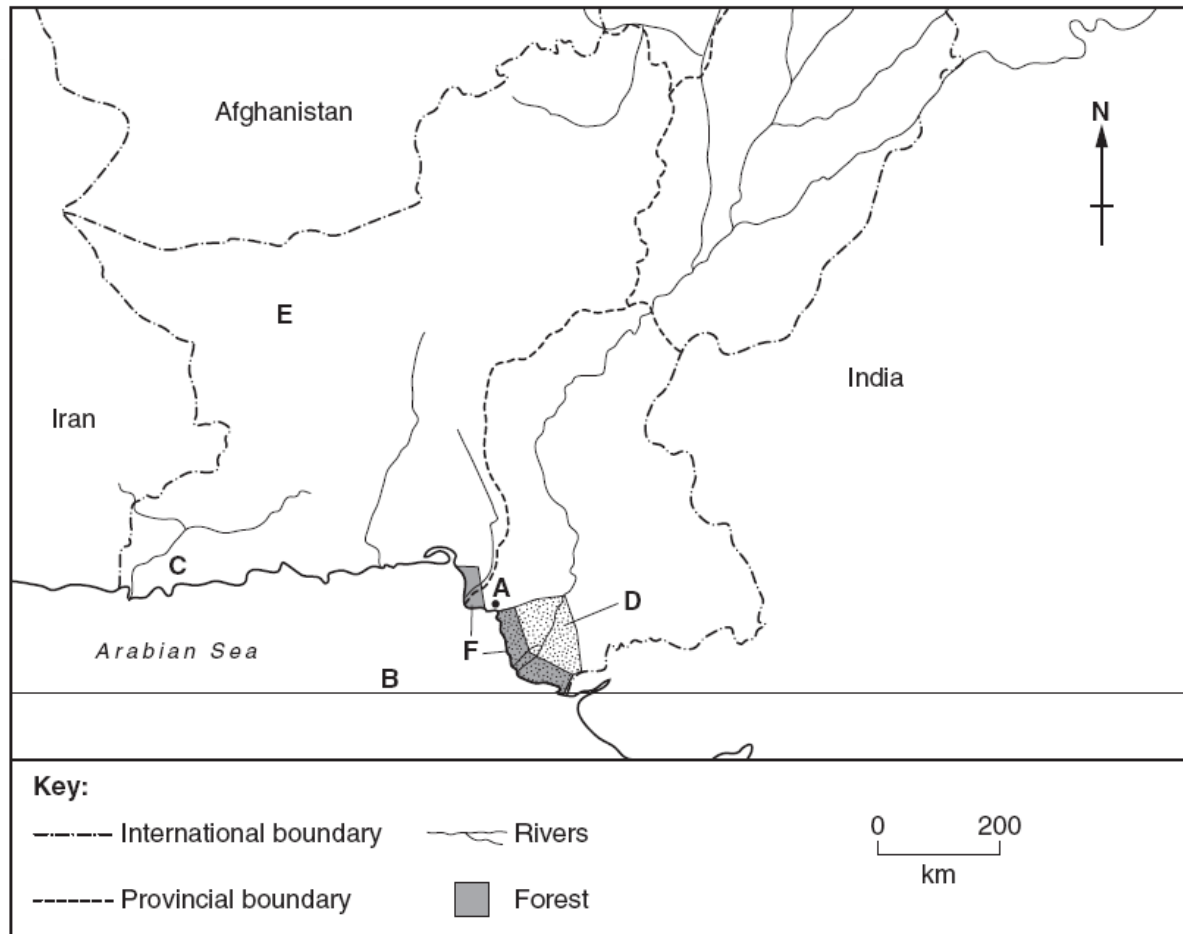

Fig. 1

Name the city **A**,

Name the line of latitude **B**,

Name the river **C**,

Name the area **D**,

Name the province **E**.

MAP NO. 12:

Study Fig.2.

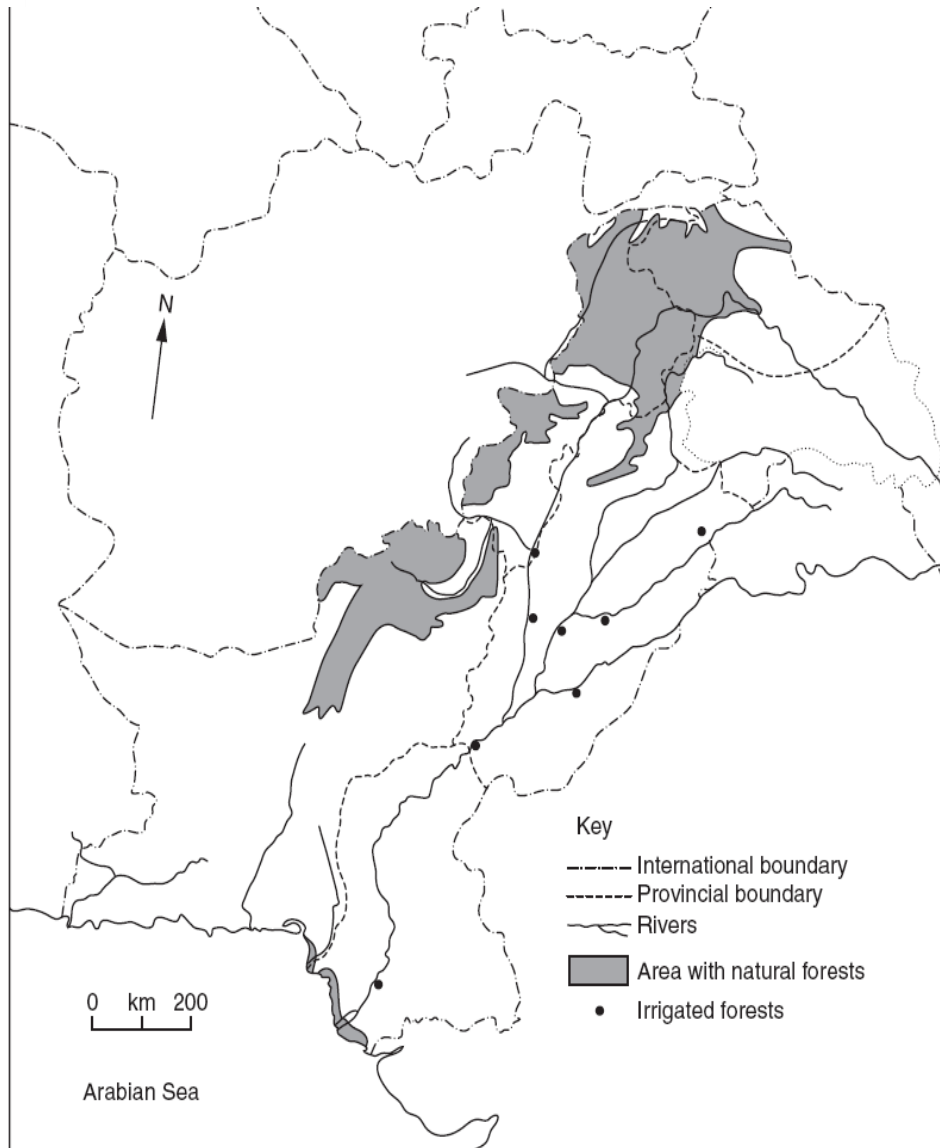

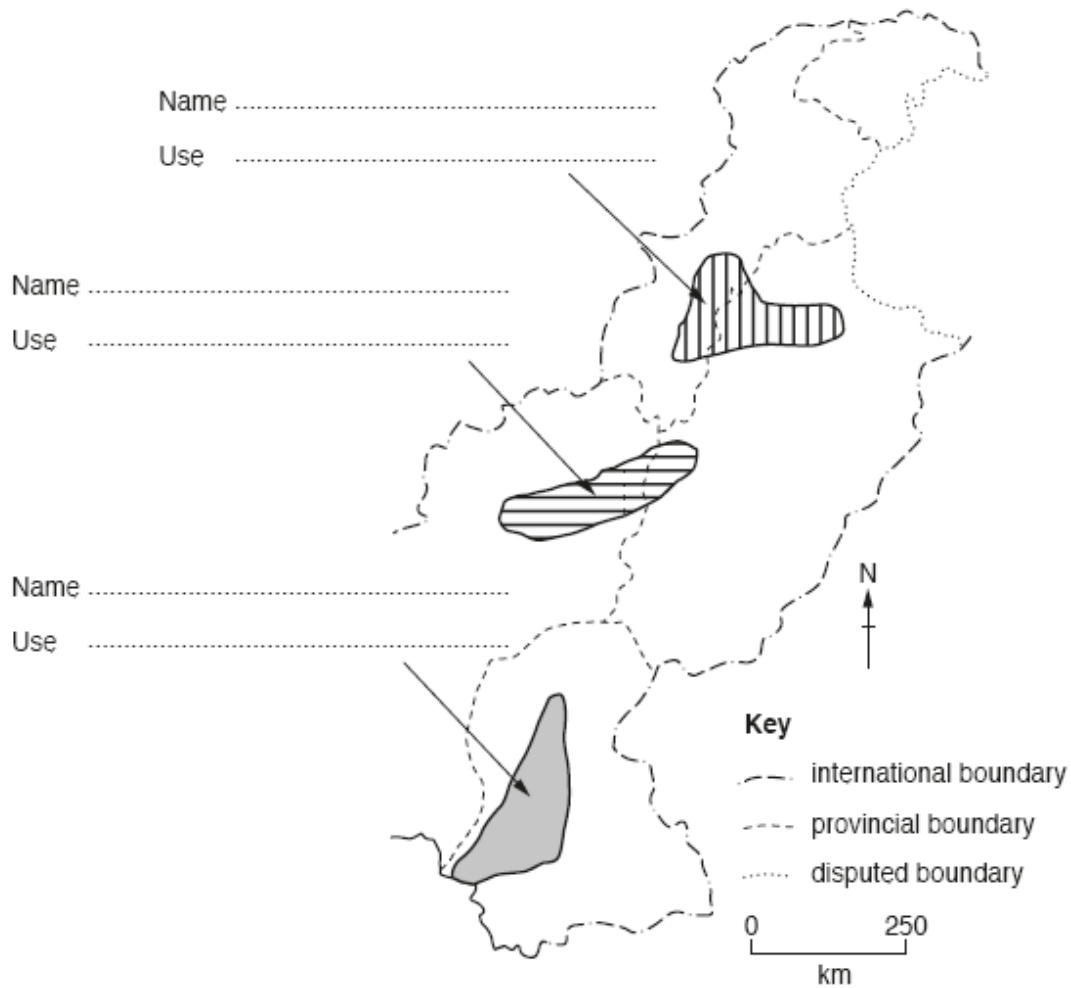

Fig. 2

- (a) Describe the distributions of **both** the areas with *natural forests* and the *irrigated forests* shown on Fig.2.

MAP NO. 13:

**Fig. 3**

For any **two** locations, state the name of the mineral extracted and a use for this mineral.

MAP NO. 14:

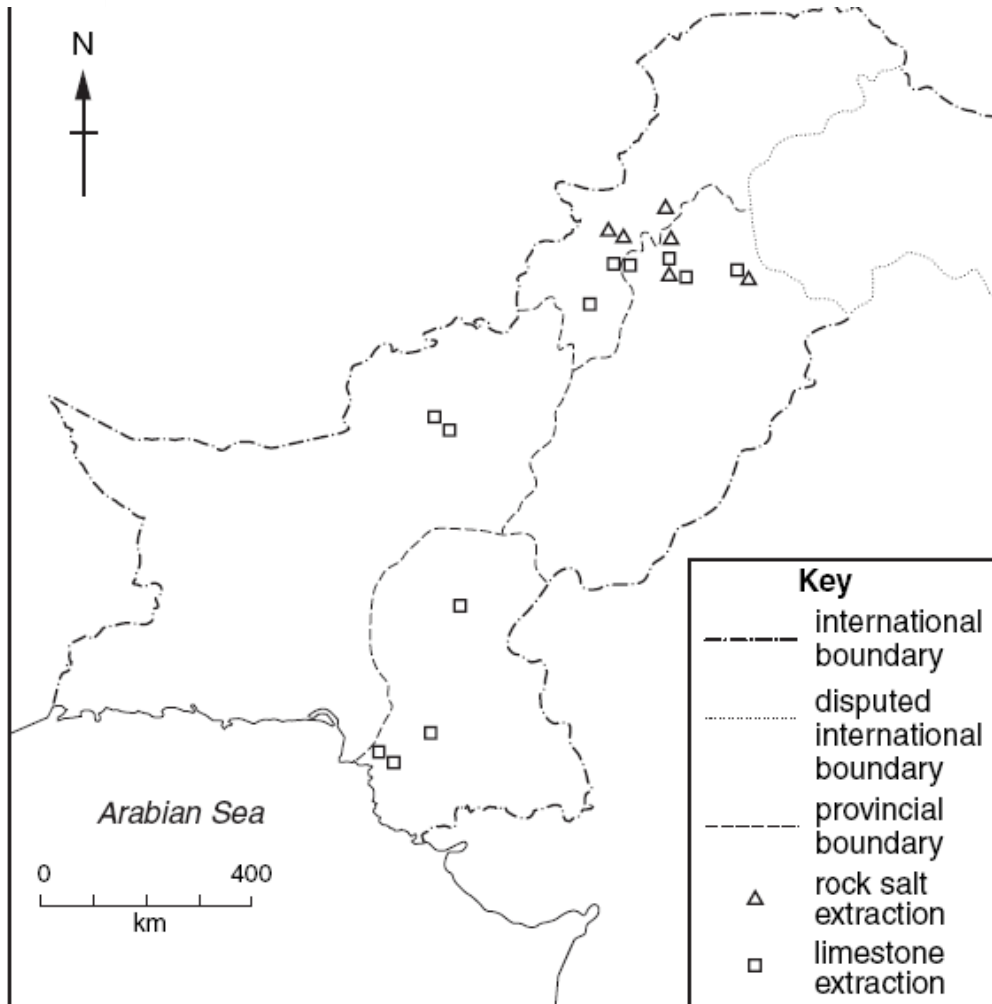

Fig. 3

- (i) Describe the distribution of limestone extraction in Pakistan.

MAP NO. 15:

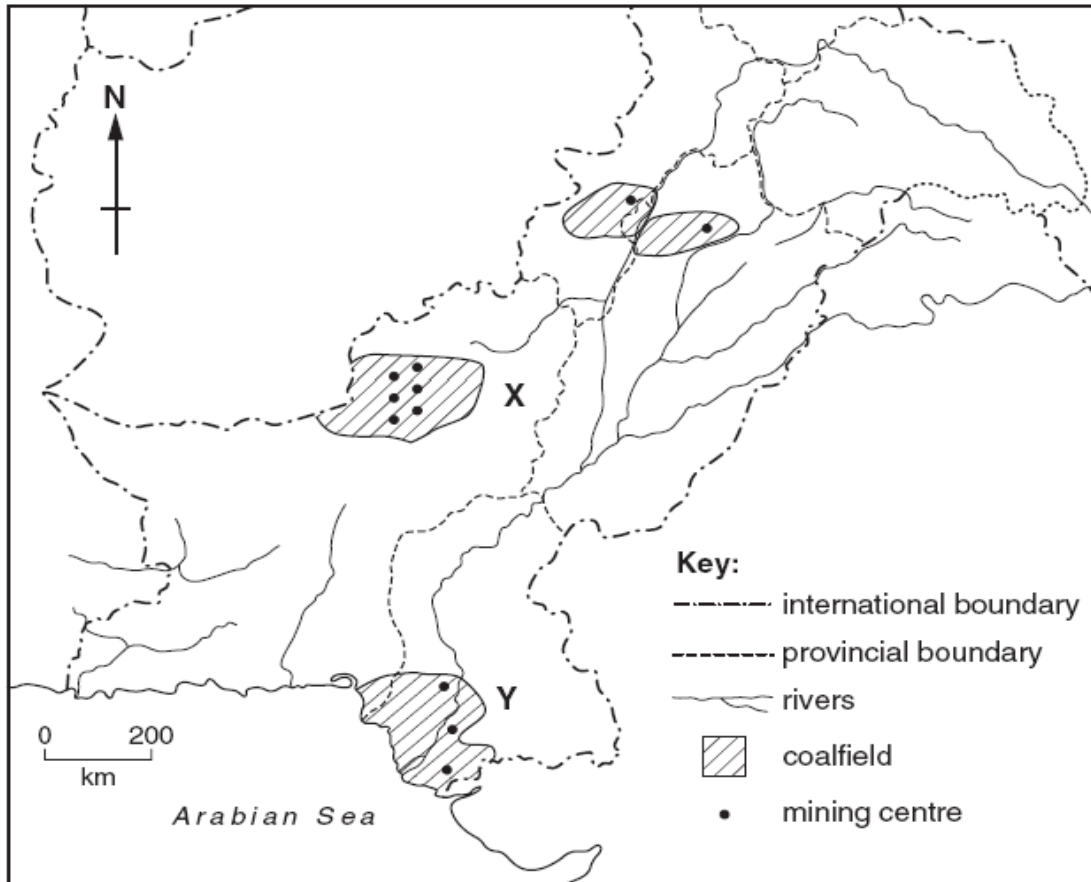

Fig. 5

- (i) Name the coalfield **X** and **one** of the mining centres there.

MAP NO. 16:

Study Fig. 2, which shows a map of the coast of Pakistan.

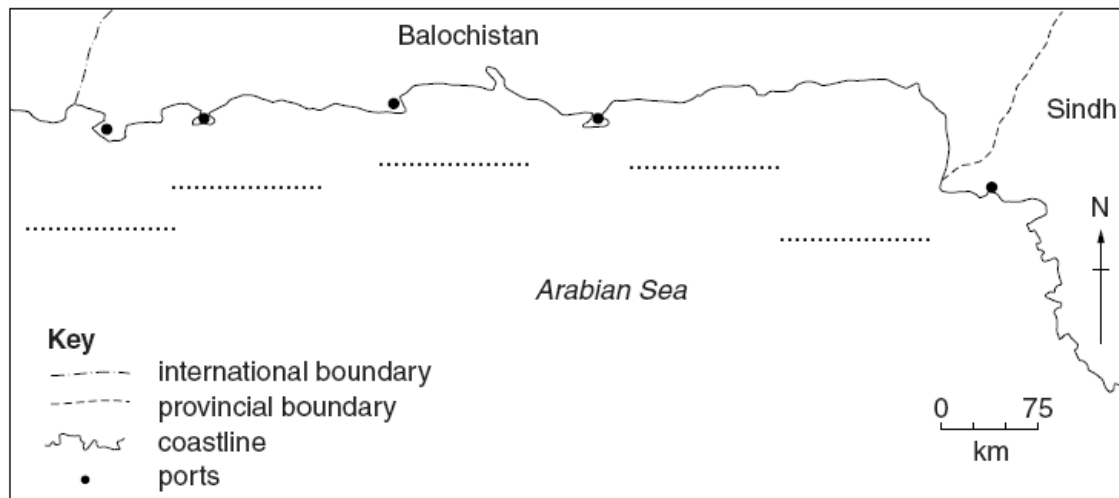

Fig. 2

(a) (i) Name on the map, two of the ports shown.

[2]

(a) (i) Name **on the map**, two of the ports shown. [2]

MAP NO. 17:

Study Fig. 1, which shows the main districts for fish farming in Pakistan.

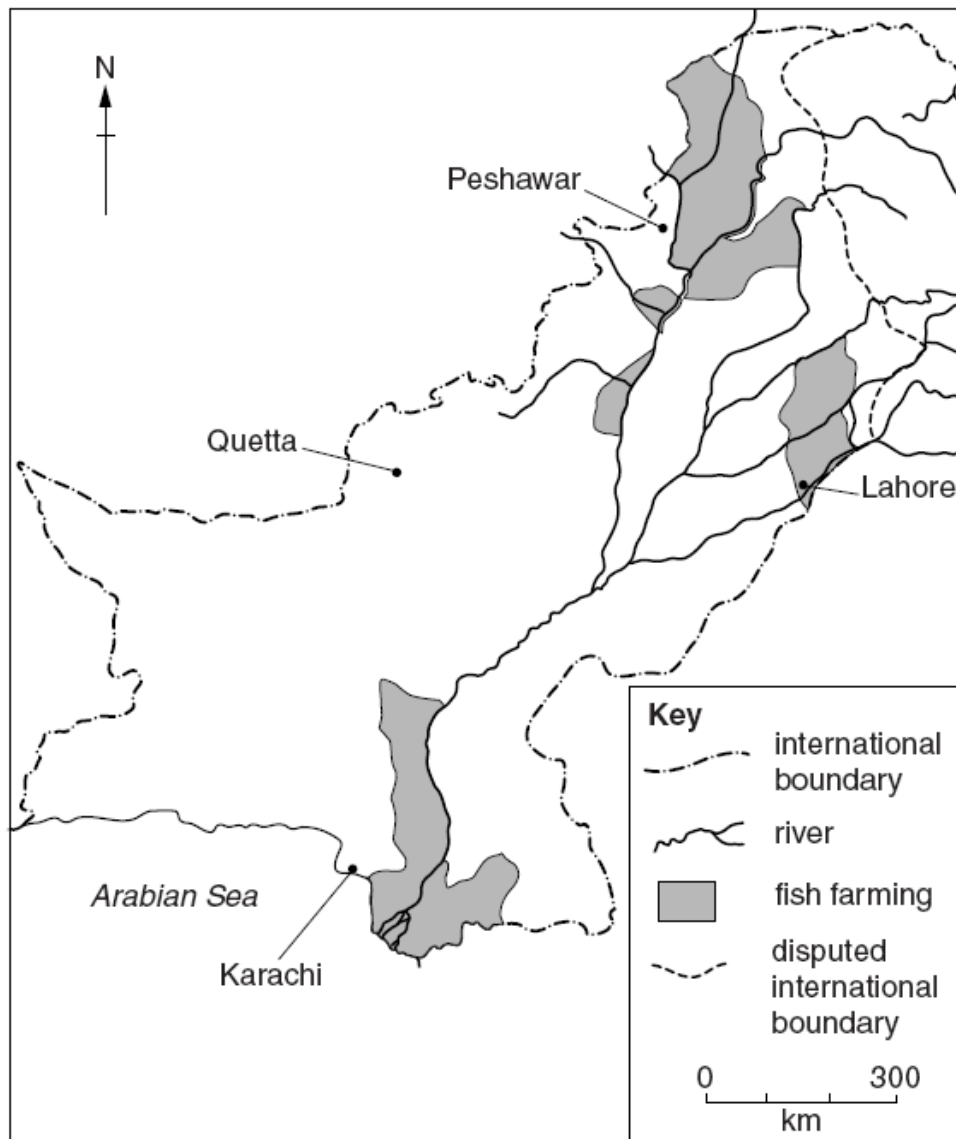

Fig. 4

- (i) Describe the distribution of fish farming in Pakistan.

MAP NO. 18:

Study Fig. 1, which shows a map of Pakistan.

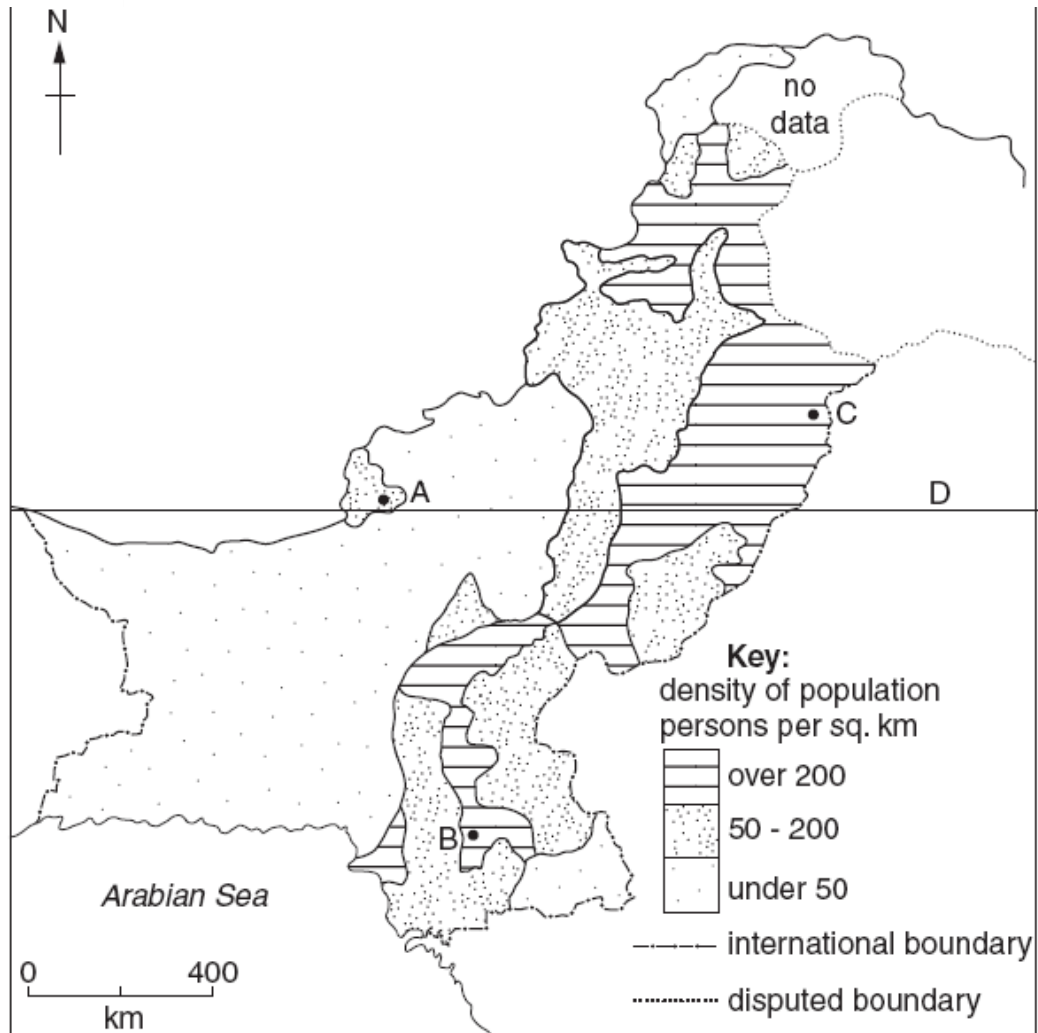

Fig. 1

- (i) Name the cities A, B and C, and the line of latitude D.

MAP NO. 19:

Study Fig. 1.5, a map outline of Pakistan.

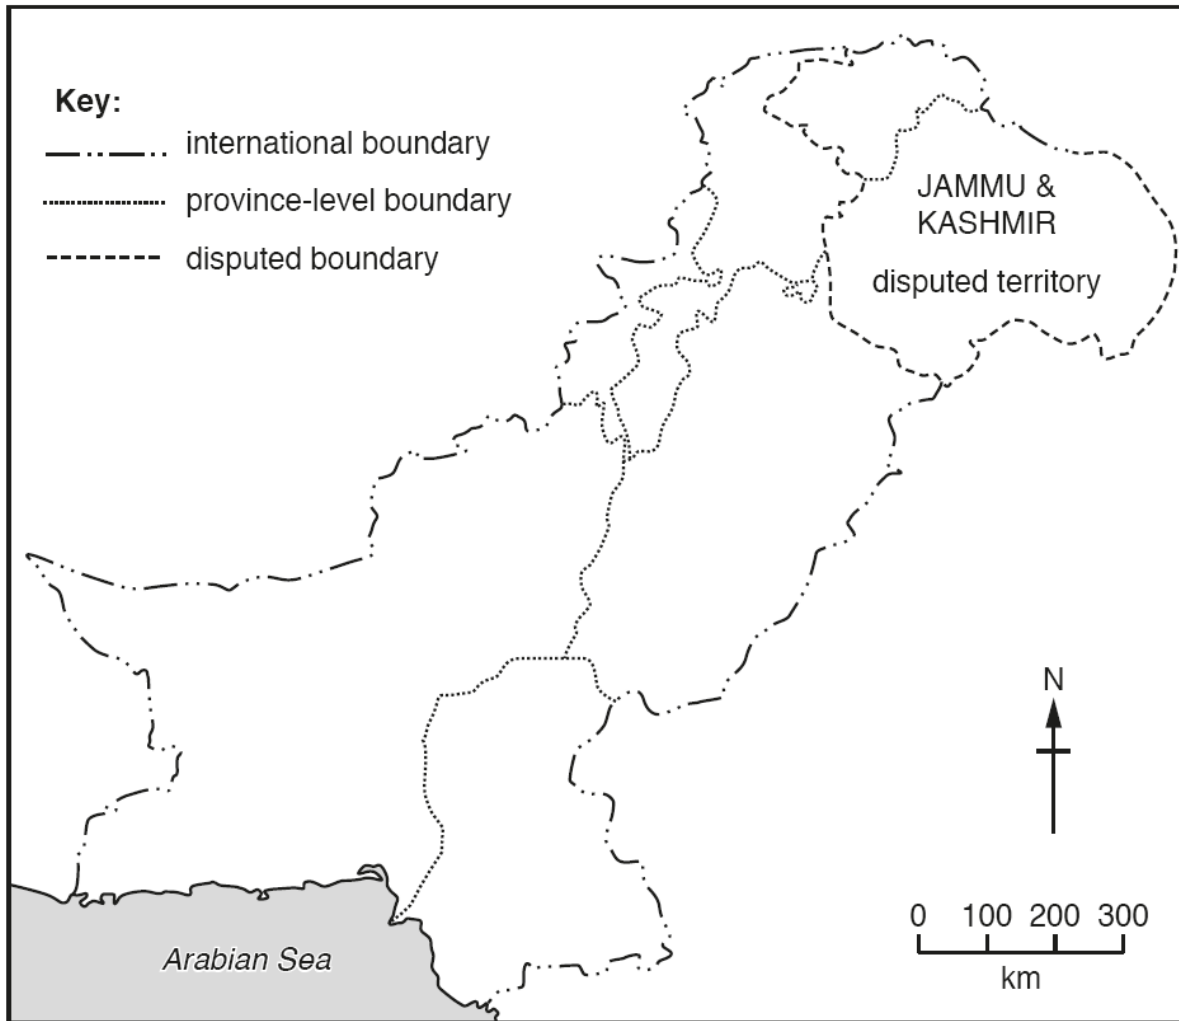

Fig. 1.5

On Fig. 1.5 **shade** and **name** the provinces where oilseeds are grown. [3]

State **two** reasons why oilseeds are grown in these provinces.

MAP NO. 20:

Study Fig. 6 which shows date and almond growing regions in Pakistan.

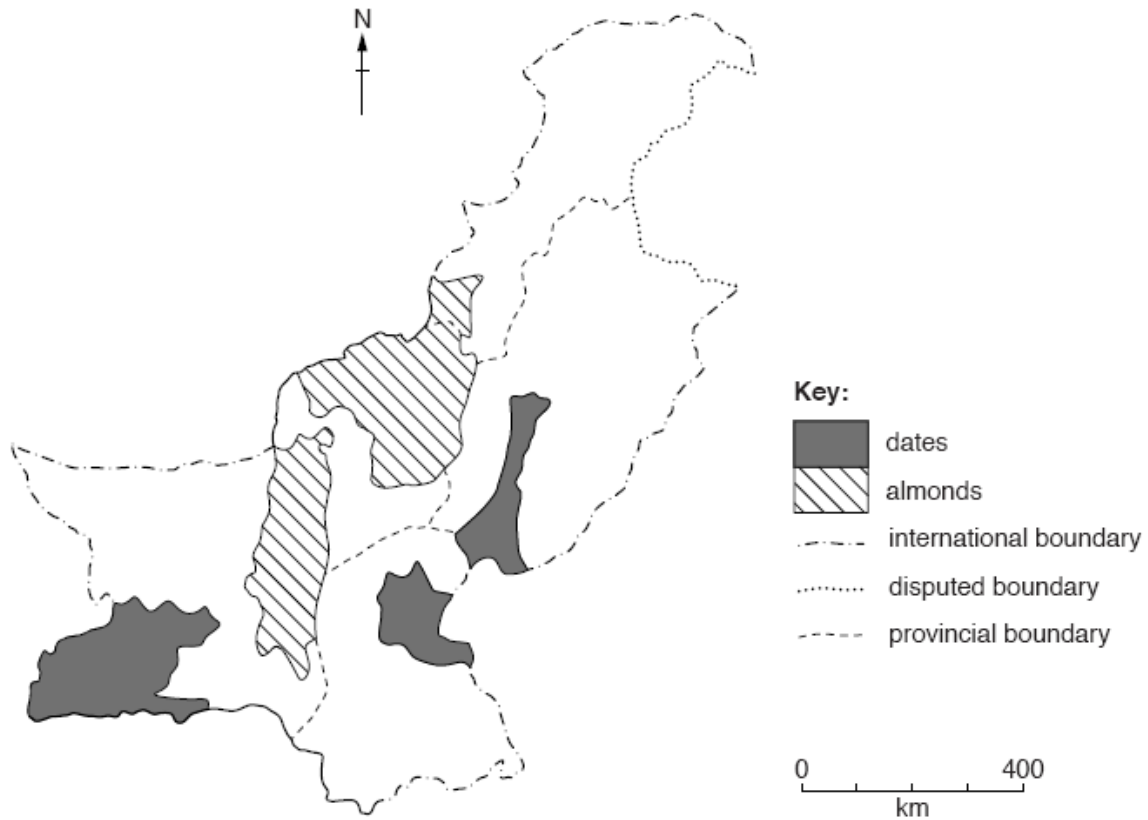

Fig. 6

- (i) Describe the distribution of the areas where **almonds** are grown.

MAP NO. 21:

Study Fig. 6 which gives information about the area of Pakistan under cultivation.

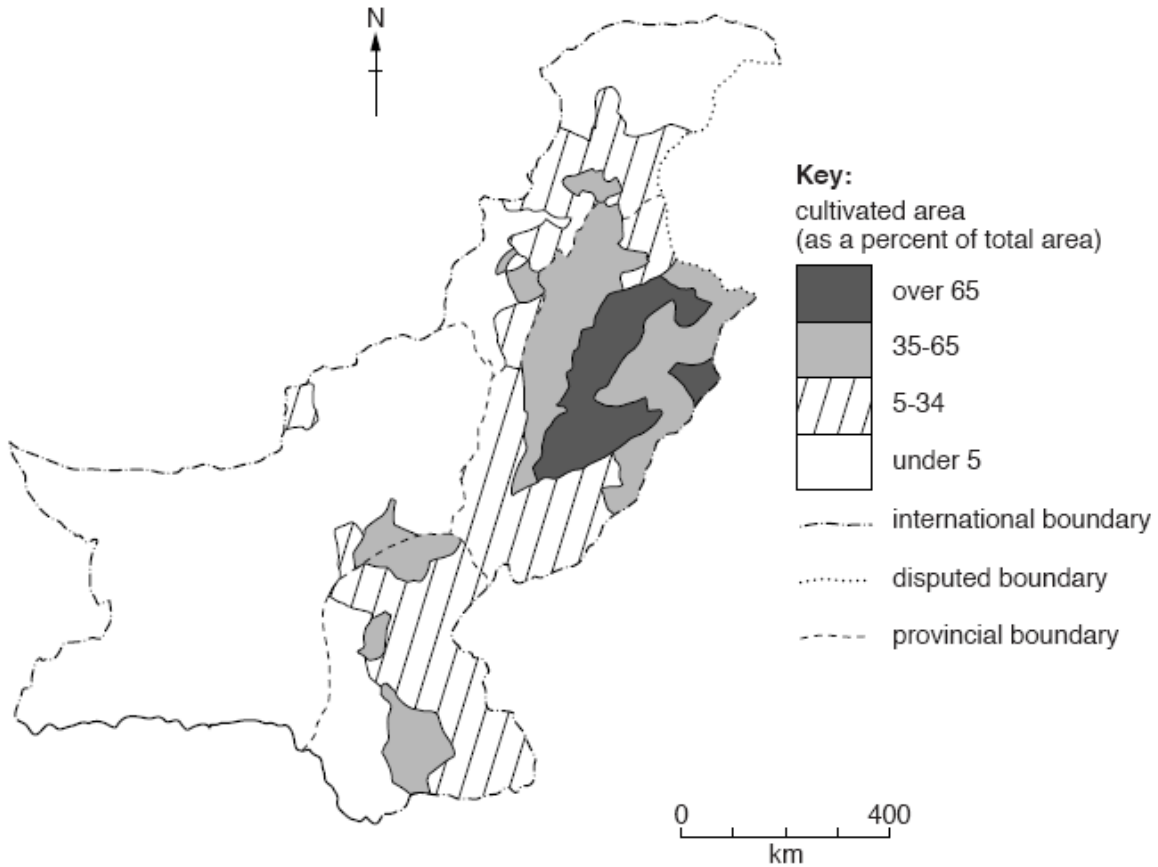

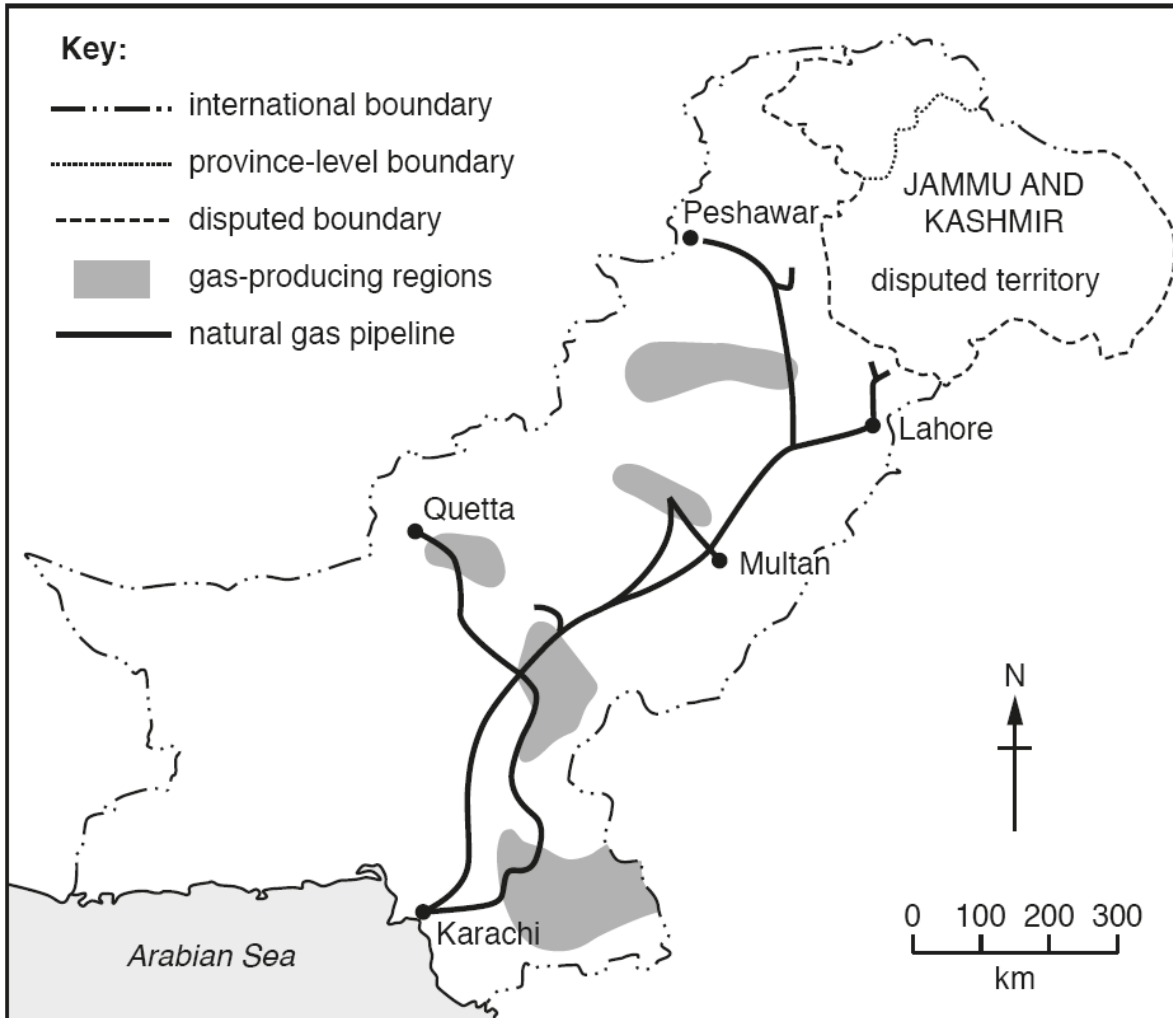

Fig. 6

- (i) A. Name a district that has a cultivated area of over 65%.
B. How much of Faisalabad District is cultivated?

MAP NO. 22:

Study Fig. 3.1, a map showing gas producing regions and the natural gas pipeline network in Pakistan.

**Fig. 3.1**

Name **three** gas producing regions in Pakistan.

MAP NO. 23:

Study Fig. 4, a map showing oil refineries and pipelines in Pakistan.

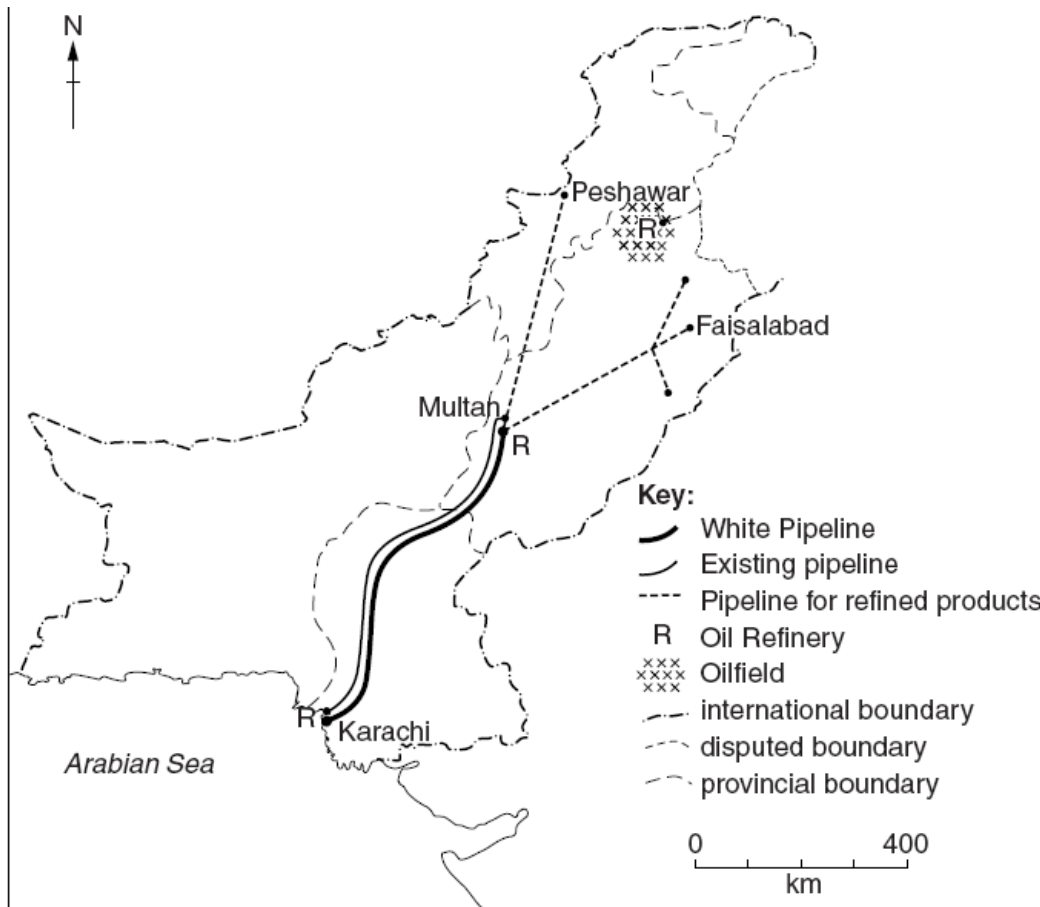

Fig. 4

- (i) Name and locate the oil refinery marked on the oilfield in Fig. 4

MAP NO. 24:

Study Fig. 3.1, a map showing the location of Sialkot, a place where sports goods are manufactured in Pakistan.

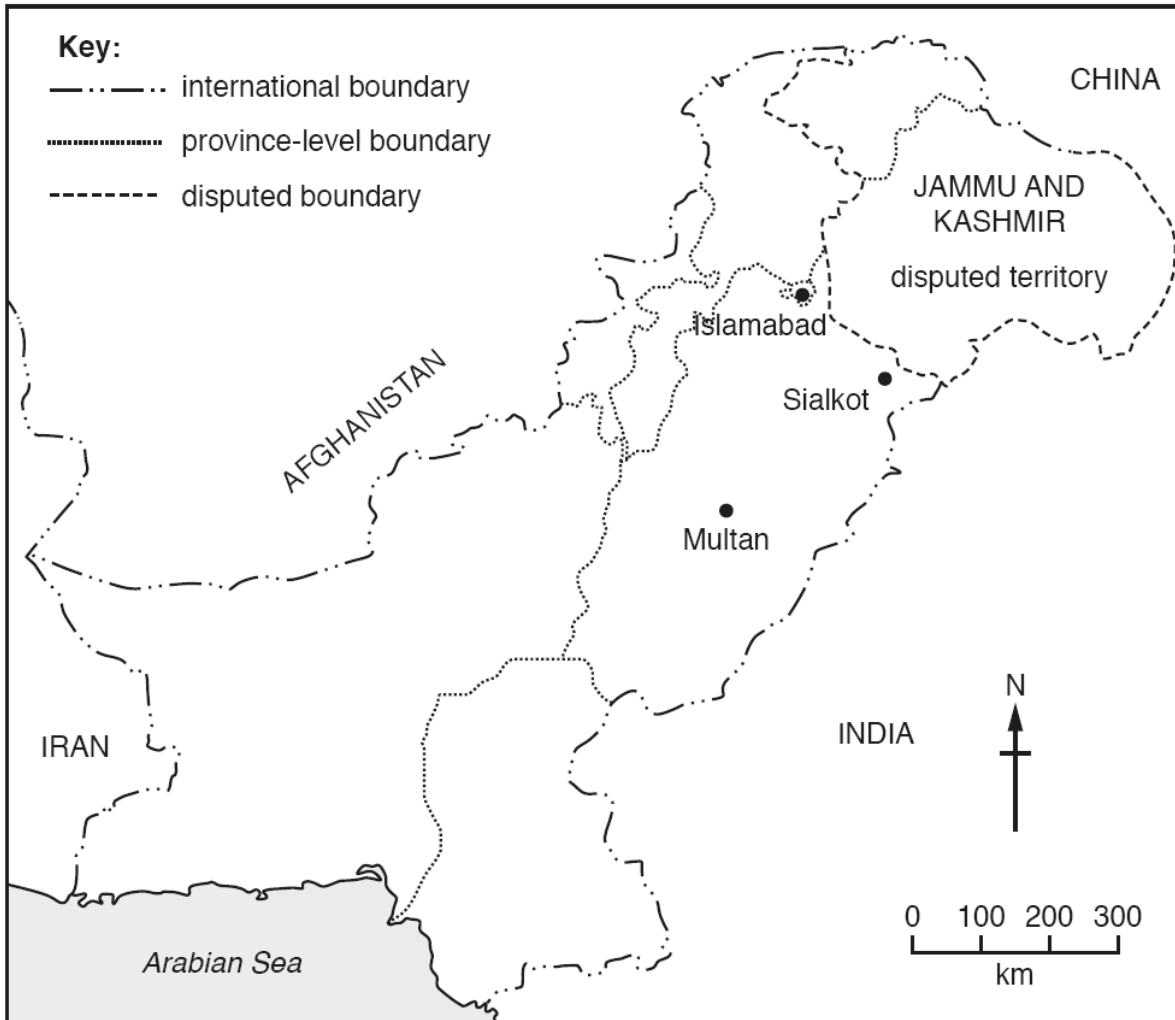

Fig. 3.1

Using the information in Fig. 3.1 **only**, describe the location of Sialkot.

MAP NO. 25:

Study Fig. 4.1, a map showing the location of selected textile industries in Pakistan.

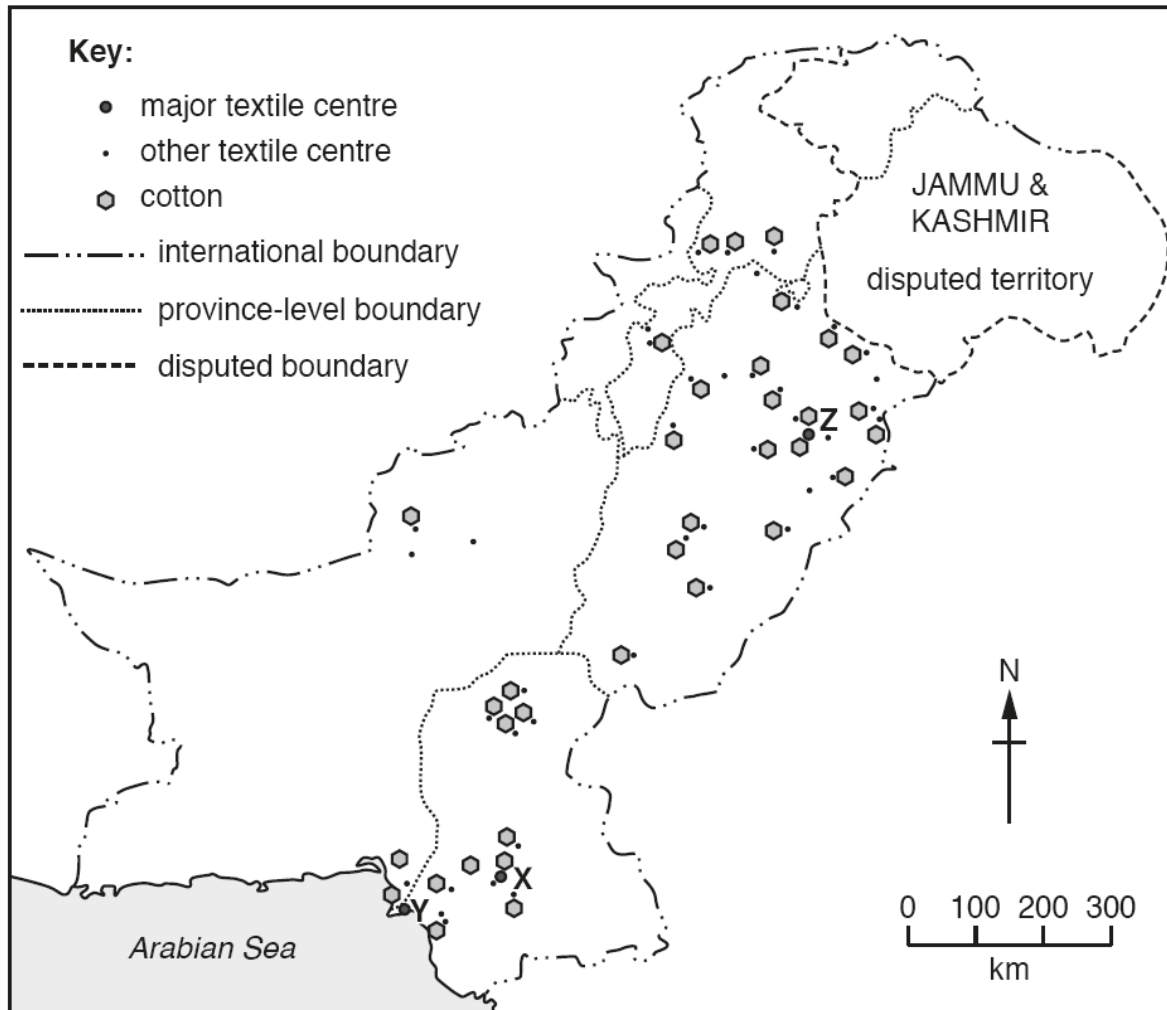

Fig. 4.1

Name the **three** major textile centres labelled **X**, **Y** and **Z** on Fig. 4.1.

X

Y

Z [3]

MAP NO. 26:

Study Fig. 3, a map which shows the distribution of population in southern Pakistan.

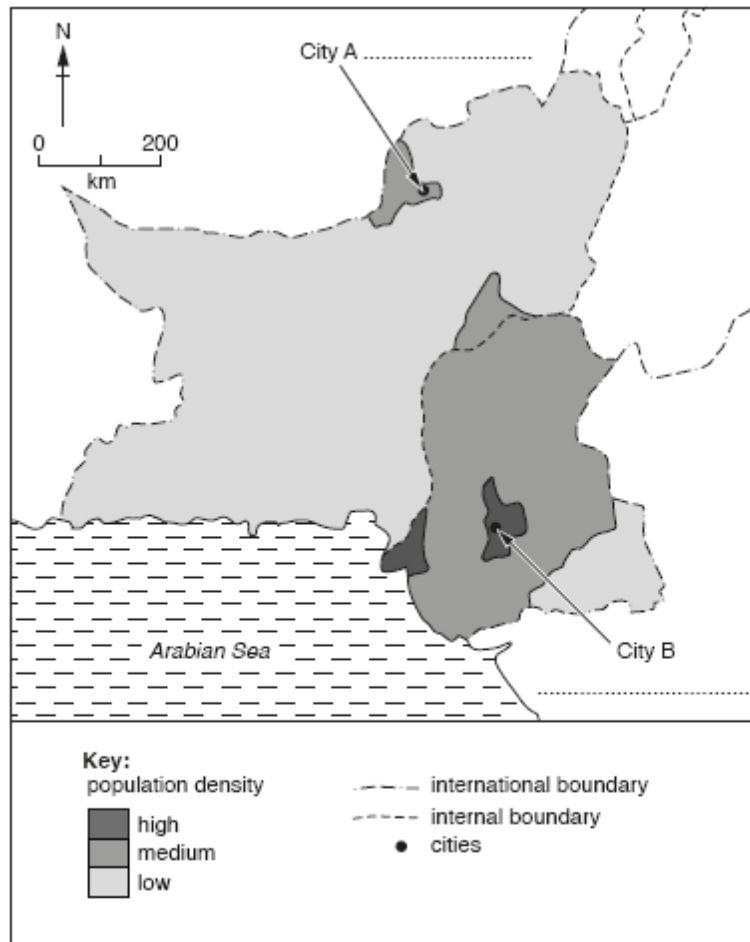

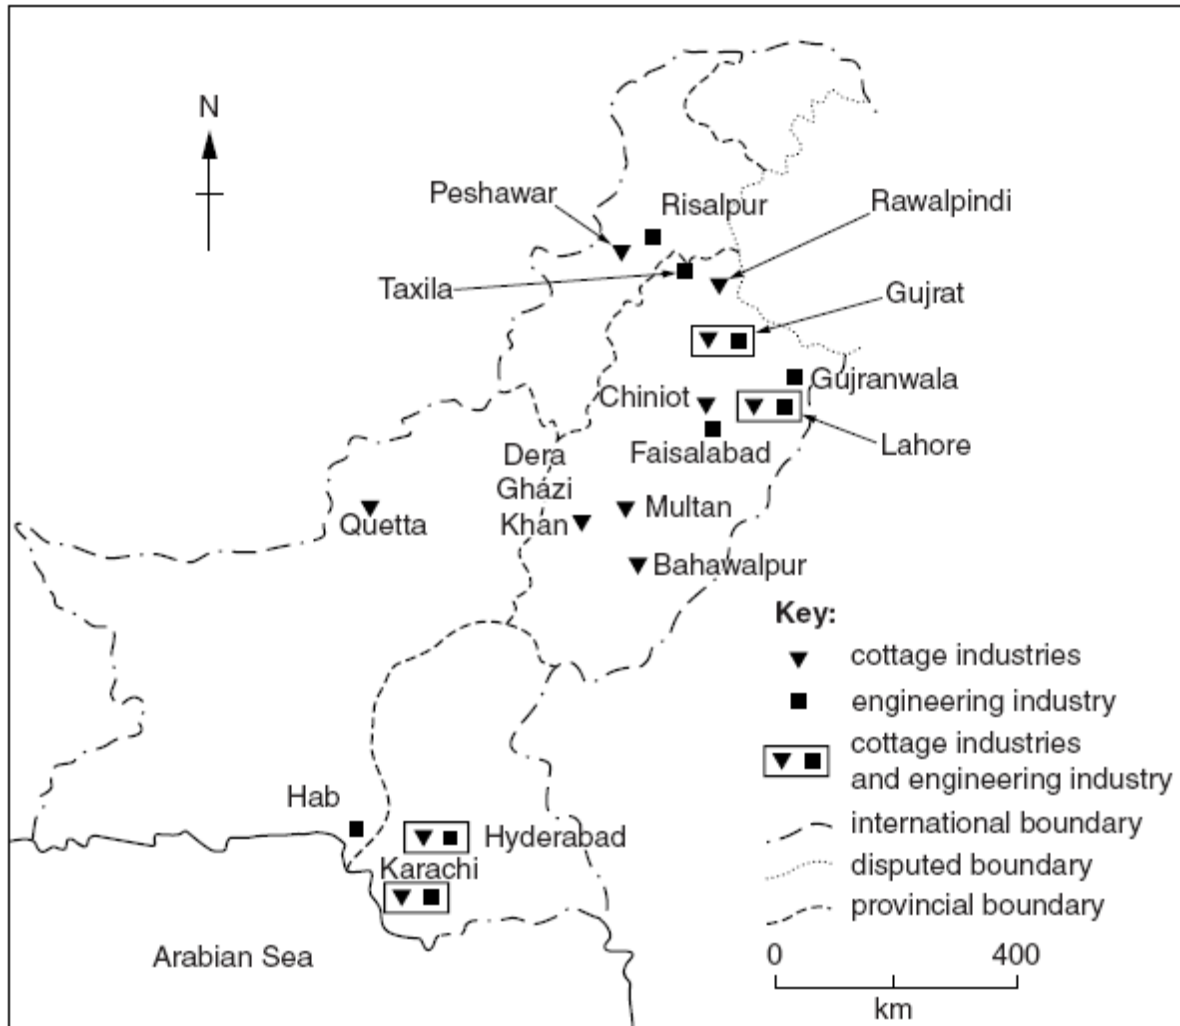

Fig. 3

- (i) **On the map** name the following: City A; City B. [2]

MAP NO. 27:

Study Fig. 6 which shows the distribution in Pakistan of selected cottage industries and the engineering industry.

**Fig. 6**

A. Give an example of a cottage industry.

MAP NO. 28:

Study Fig. 9, which is a map giving information about cotton textile industries in Pakistan.

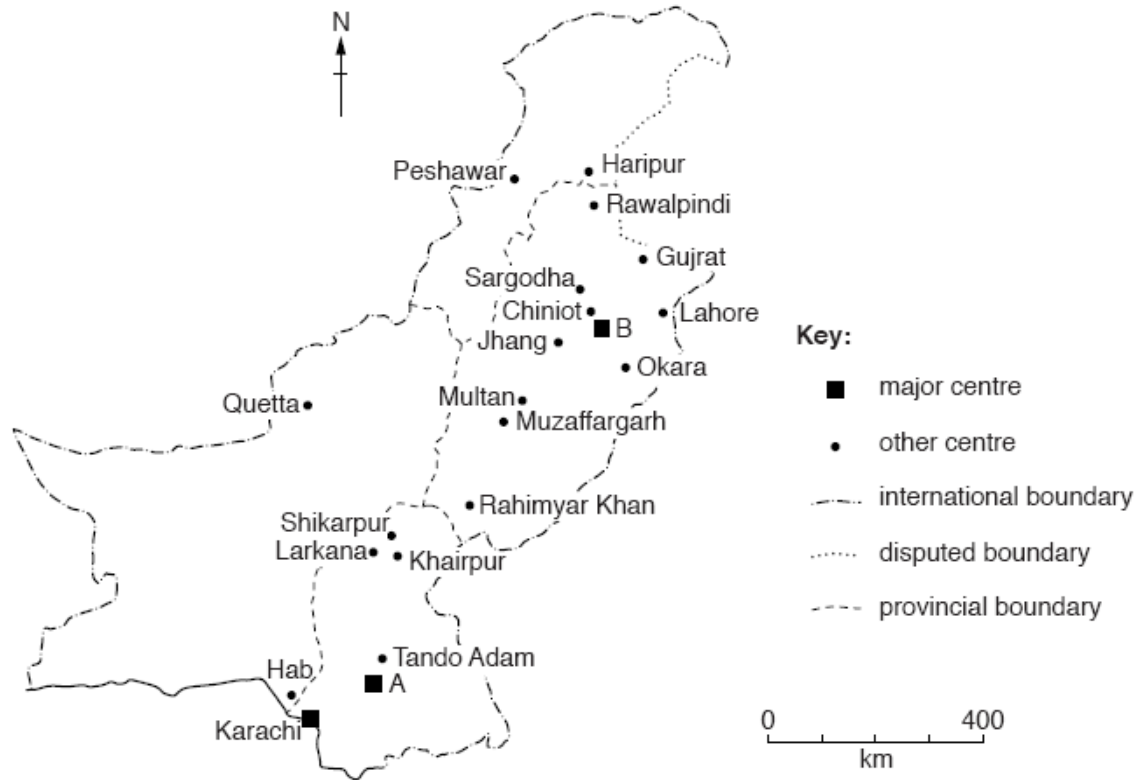

Fig. 9

- (i) Name **one** of the major centres of the cotton industry, A or B.

MAP NO. 29:

Study Fig. 9 which is a map of southern Pakistan.

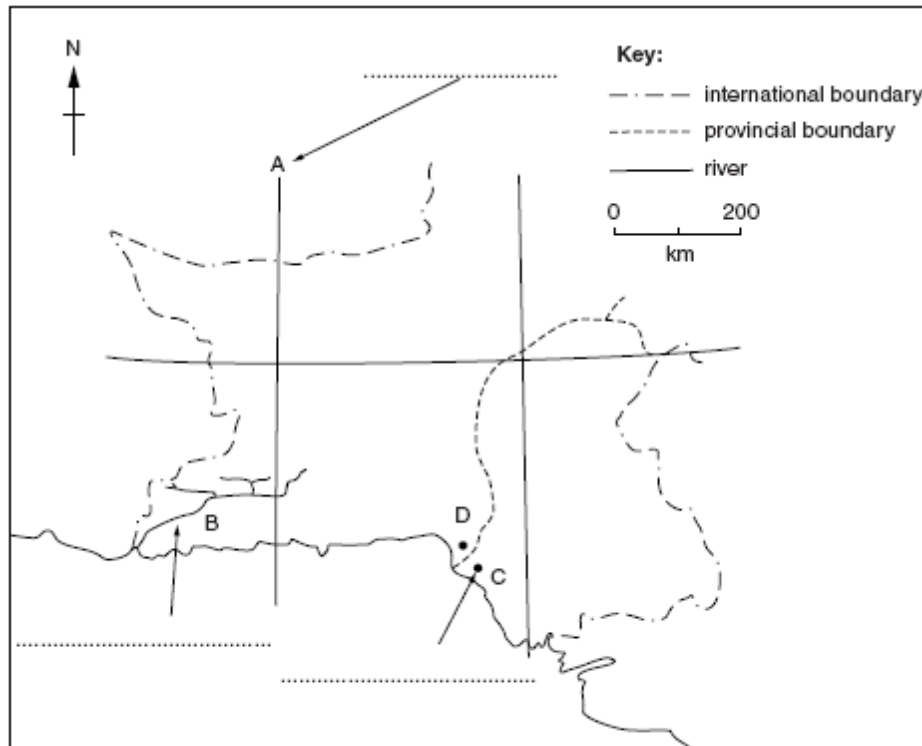

Fig. 9

(i) **On the map** name the following:

- Line of longitude A
- River B
- City C [3]

MAP NO. 30:

Study Fig. 4.1, which is a map of Pakistan's road network.

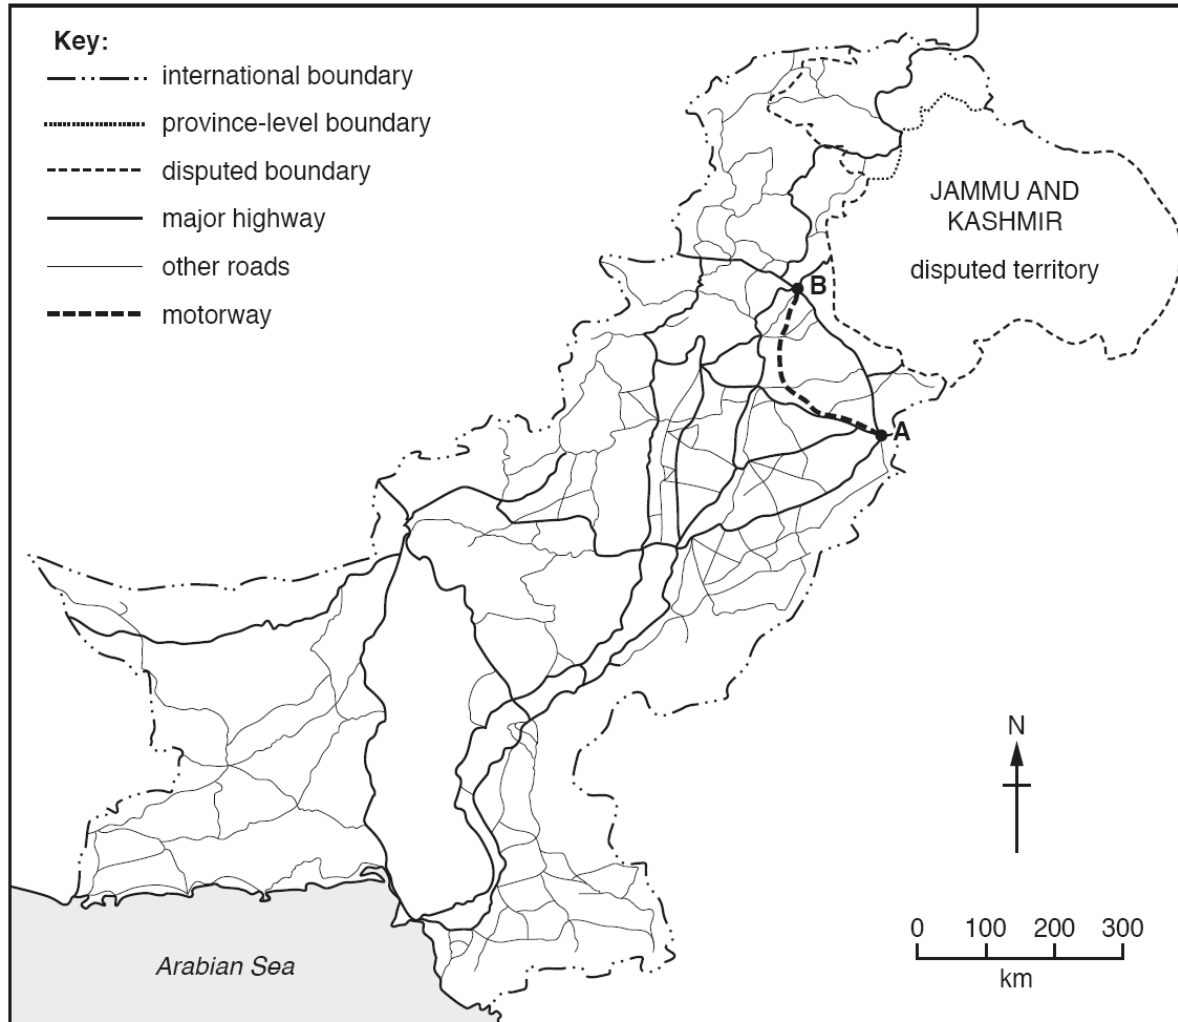

Fig. 4.1

(i) Name the **two** cities labelled **A** and **B** on Fig. 4.1.

A

B

MAP NO. 31:

Study Fig. 4.1, a map showing the rail network in Pakistan.

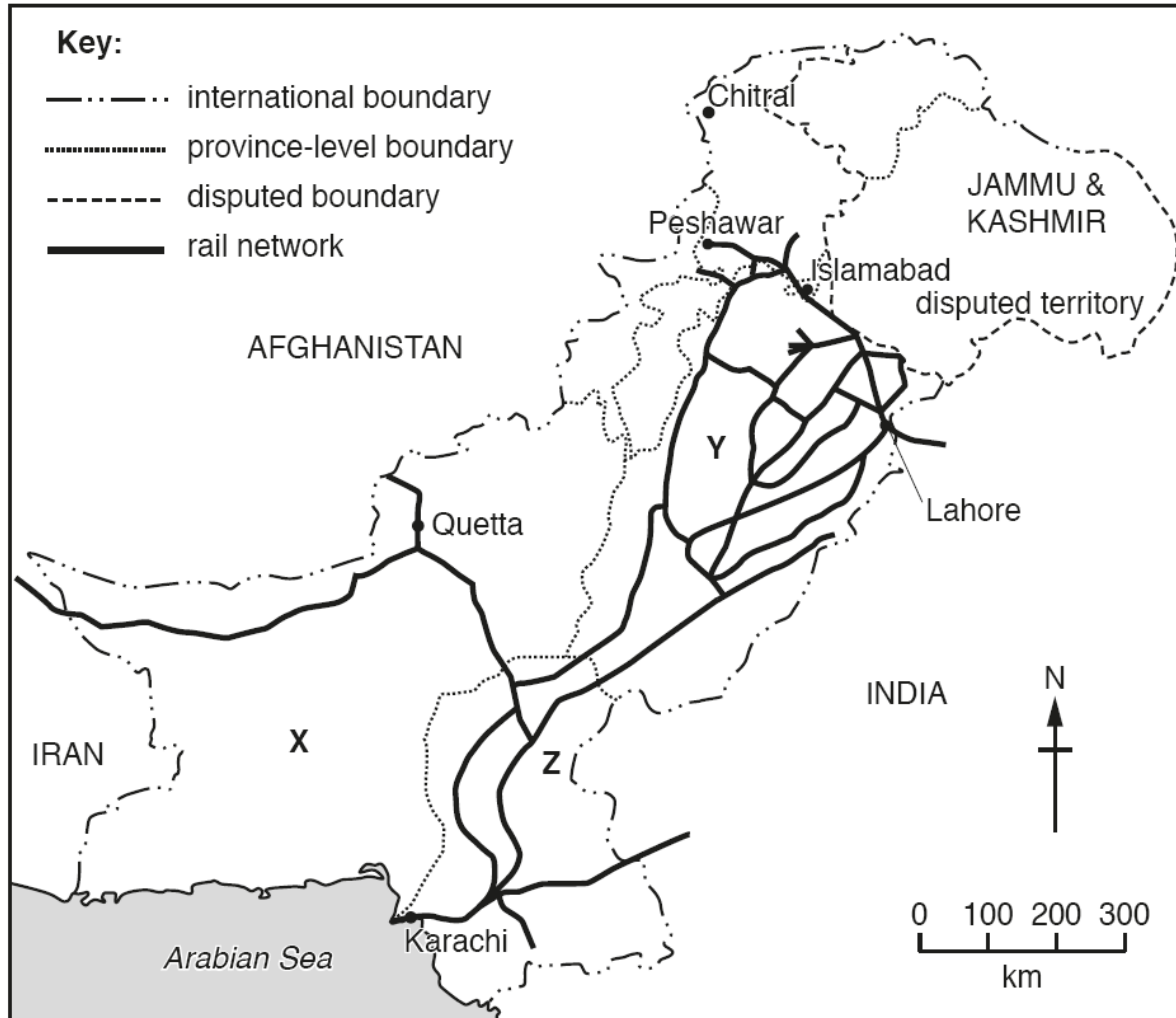

Fig. 4.1

Name the **three** provinces X, Y and Z.

X

Y

Z [3]

MAP NO. 32:

Study Fig. 5, which is a map of southern Pakistan.

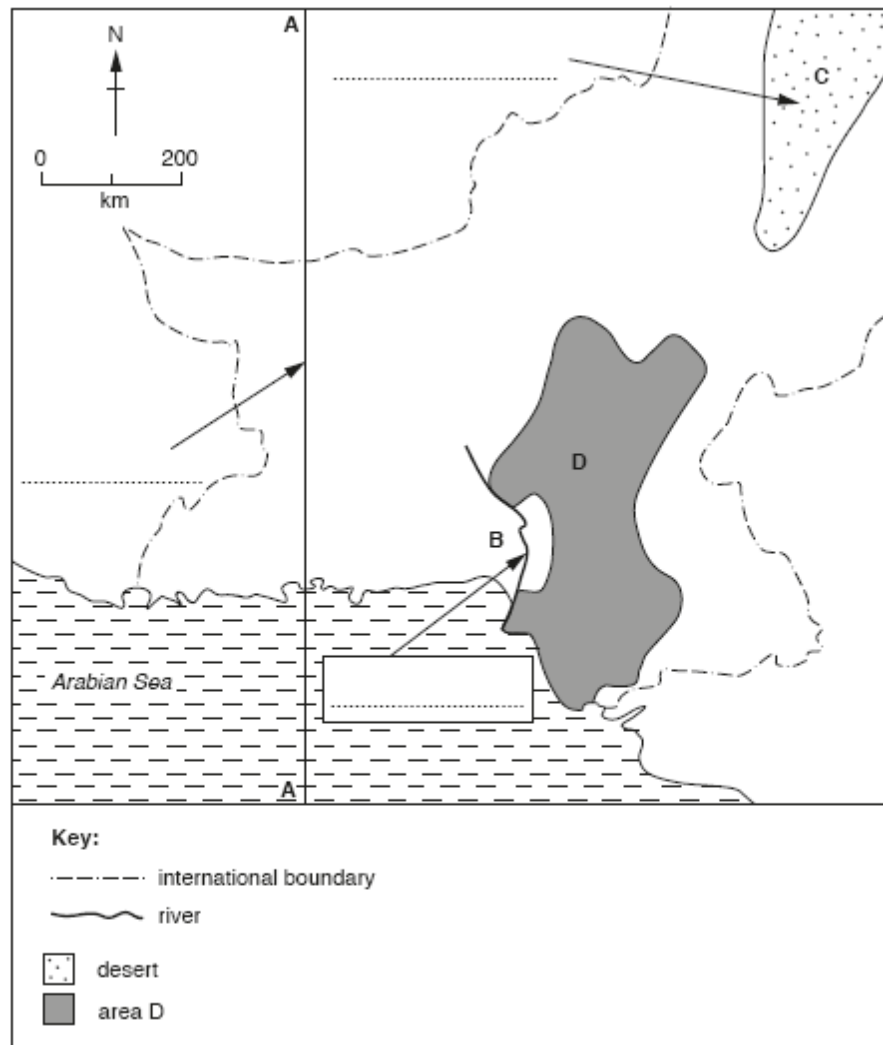

Fig. 5

- (i) **On the map** name the following: Line of longitude A–A; River B; Desert C. [3]
- (ii) Describe the natural topography (relief) of Area D on the map.

MAP NO. 33:

Study Fig. 5, a map showing air routes in Pakistan.

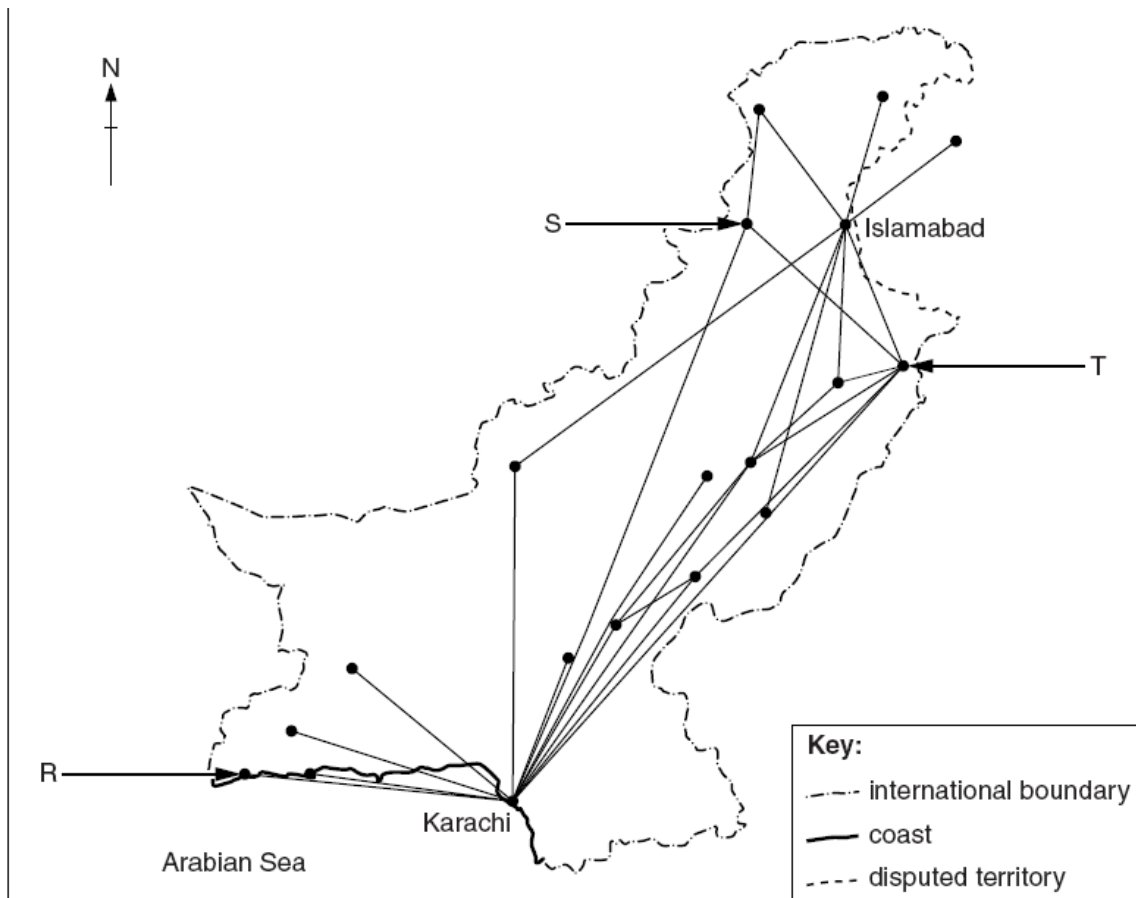

Fig. 5

- (i) Name the destination of the air routes from Karachi R, S and T.

MAP NO. 34:

Study the map Fig. 5.

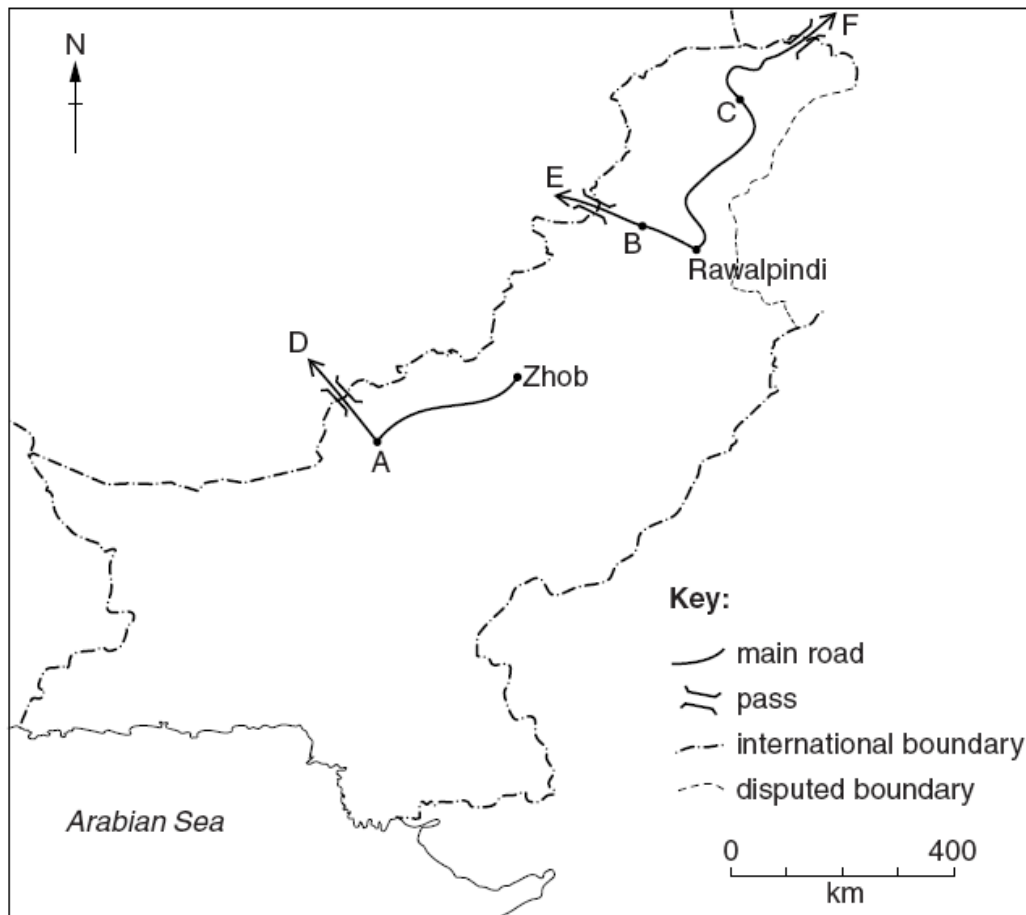

Fig. 5

- (i) Name the towns A, B and C.

MAP NO. 35:

Study Fig. 5, a map of Pakistan.

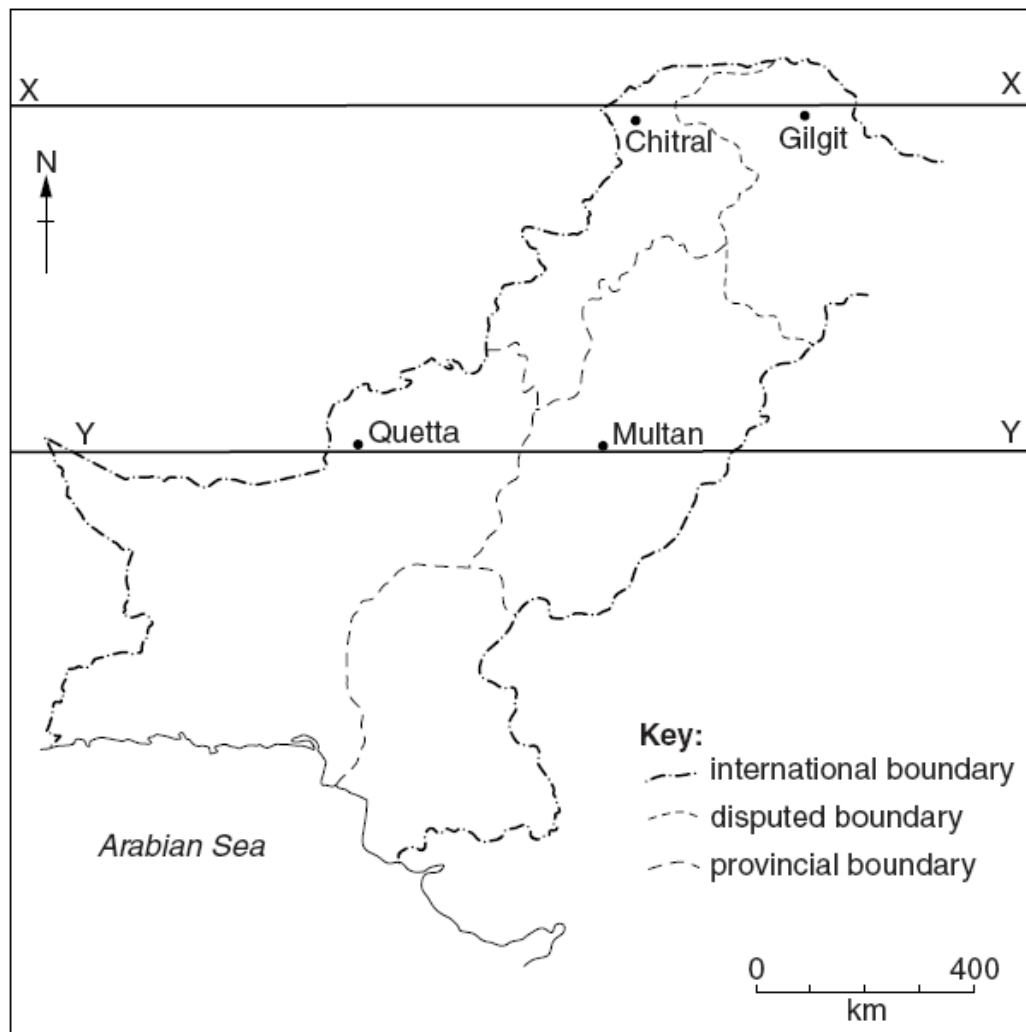

Fig. 5

- (i) Give the latitude of the lines X – X and Y – Y.

X

Y[2]

- (ii) Explain the effect of latitude on

MAP NO. 36:

Study Fig. 3, a map showing three major cities and two major roads.

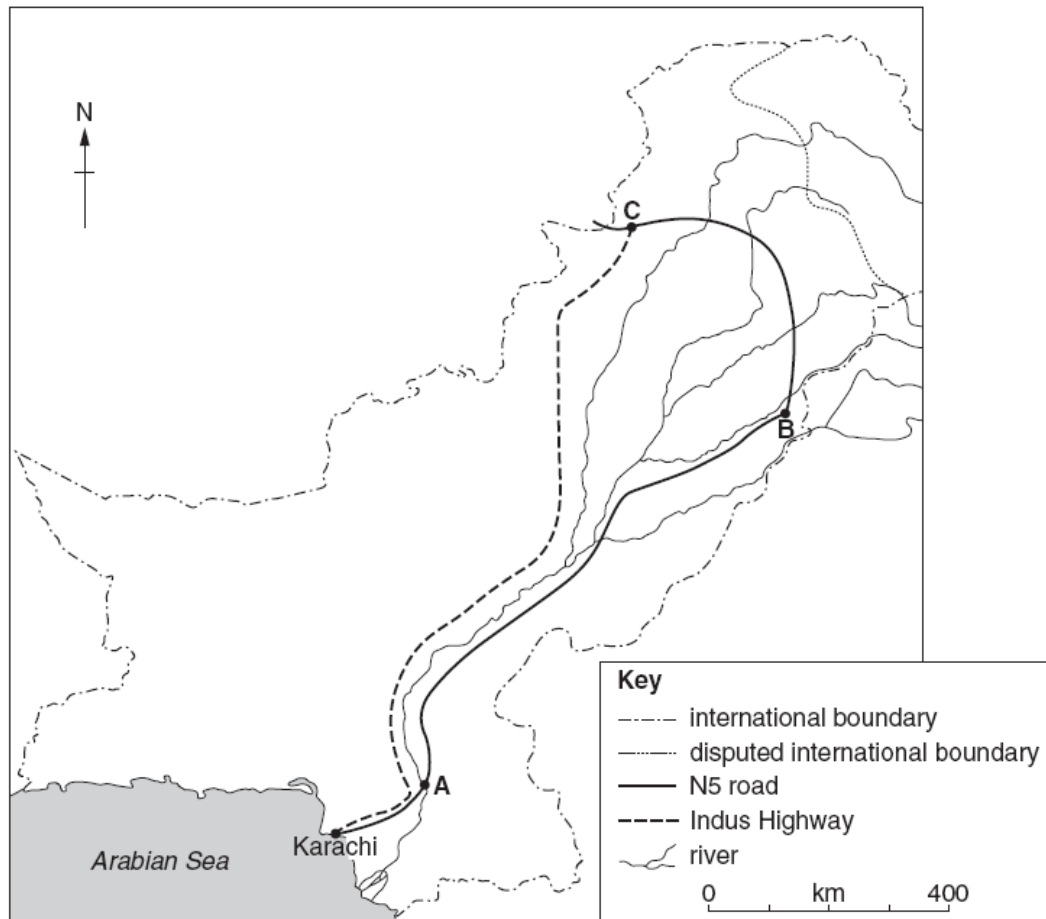

Fig. 3

- (i) Name the cities A, B and C.

MAP NO. 37:

Study Fig. 4, a map of the road network in Pakistan in 2002.

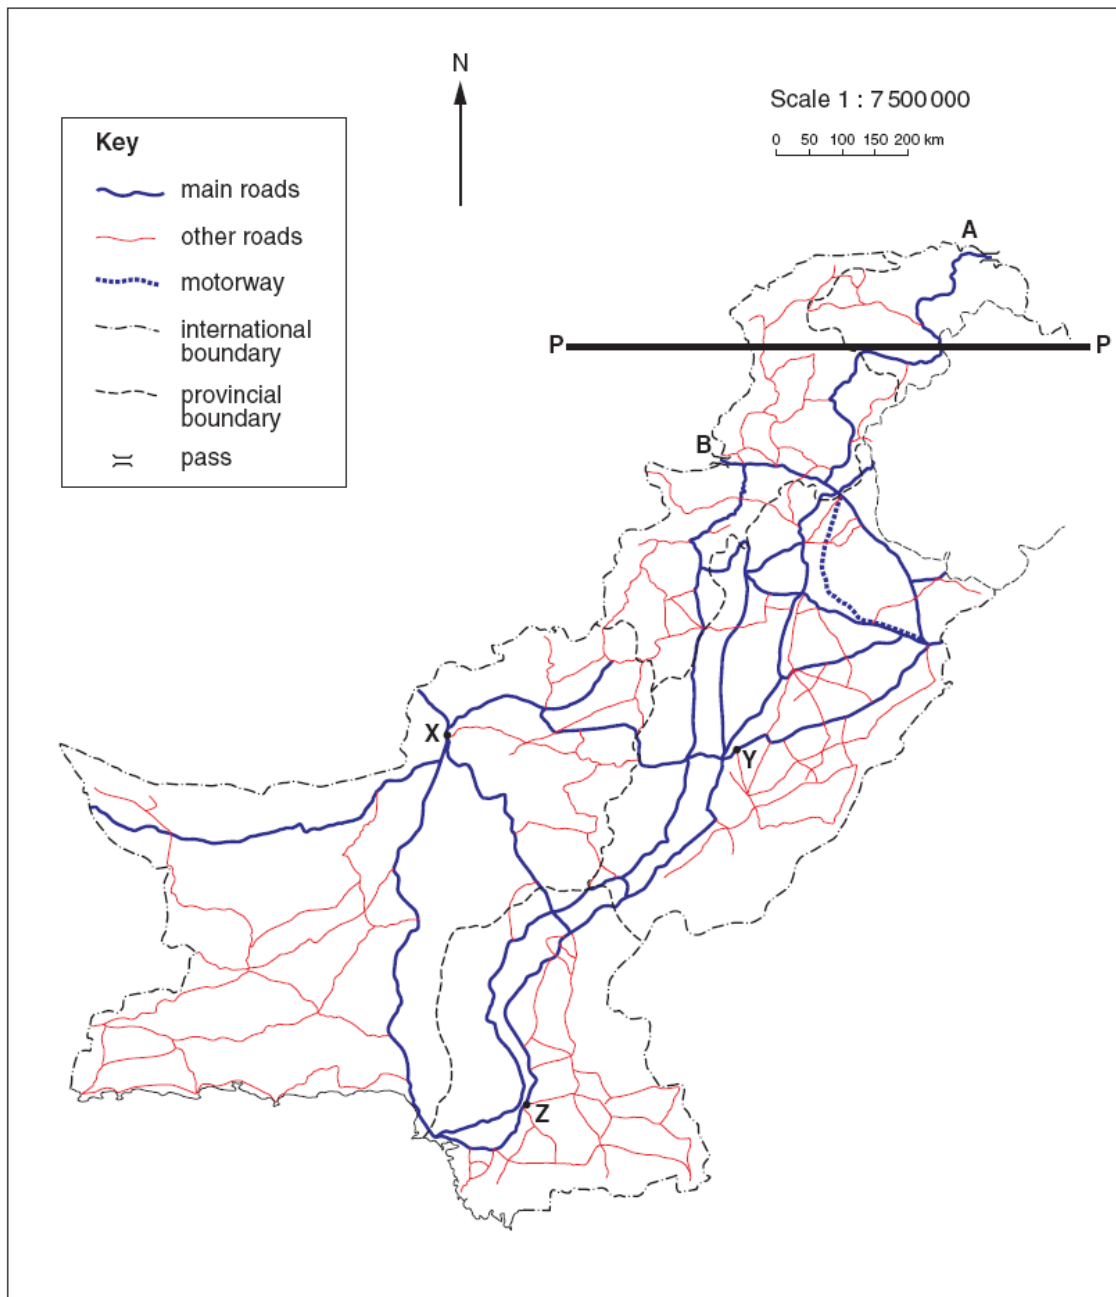

Fig. 4

Name the cities X,Y and Z.

MAP NO. 38:

Study Fig. 5.1, a map showing population distribution in Pakistan.

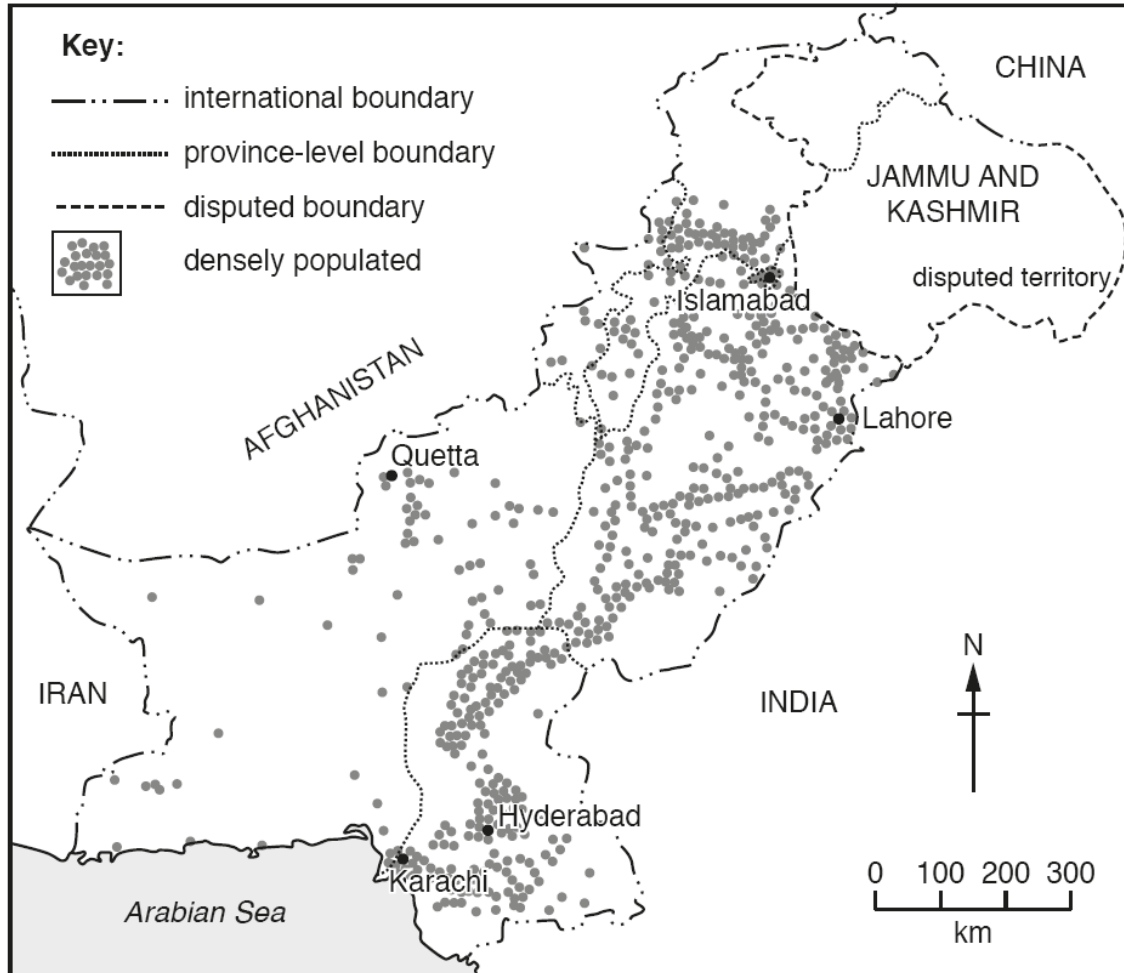

Fig. 5.1

Name a province that is sparsely populated.

..... [1]

(ii) Using Fig. 5.1, describe the population distribution of Pakistan.

MAP NO. 39:

Study Fig. 5.2, a map showing the population density of Pakistan.

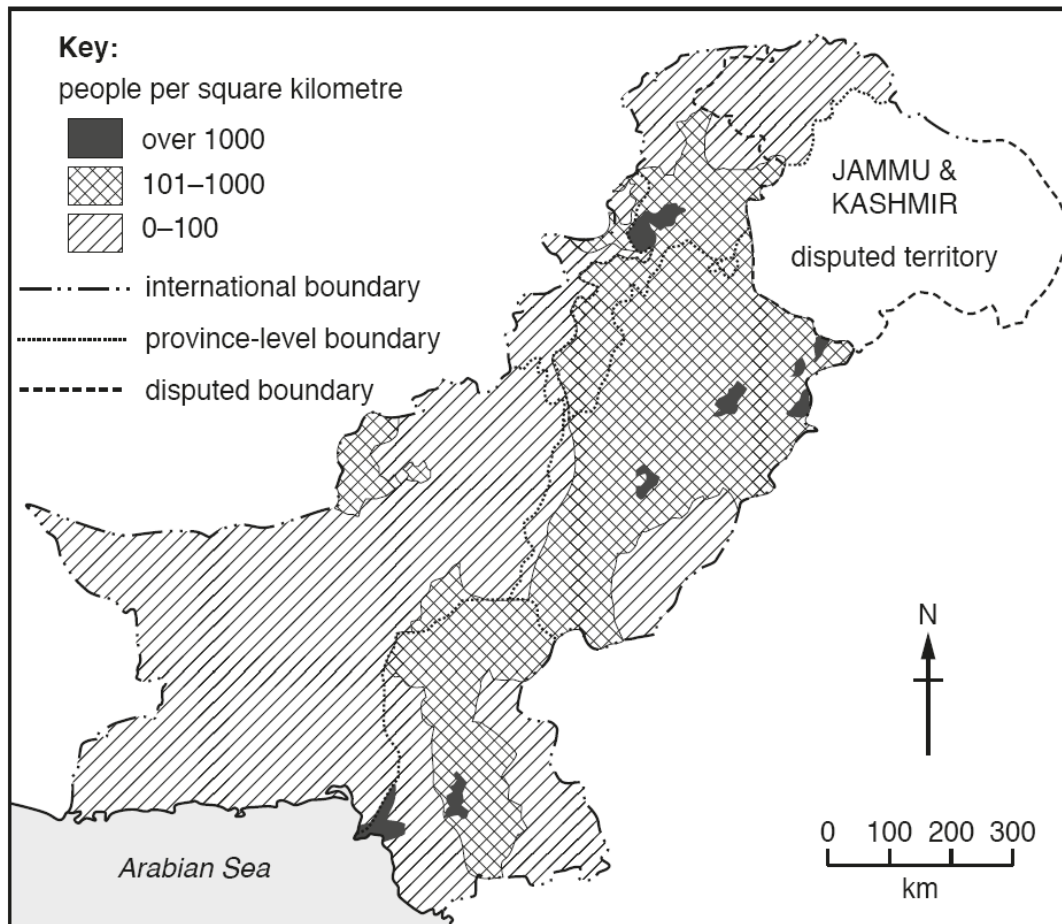

Fig. 5.2

Describe the population density of Pakistan.

MAP NO. 40:

Study Fig. 1 which is a map of northern Pakistan.

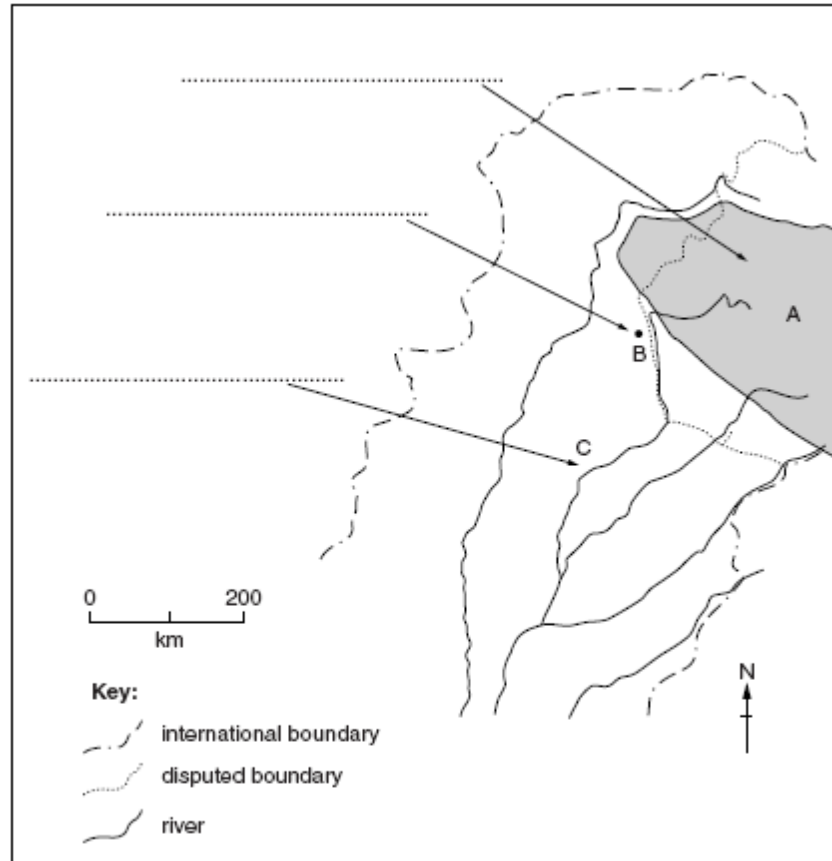

Fig. 1

(i) **On the map** name the following:

- Mountain range A
- City B
- River C [3]
